Uddhav resigns ahead of floor test

NEW DELHI, JUNE 29

The Maharashtra Chief Minister, Uddhav Thackeray has resigned after the verdict of Supreme Court for floor test in Maharashtra assembly on Thursday. He addressed people of Maharashtra through social media before announcing his resignation. Earlier, The Supreme Court has ordered for floor test in Maharashtra on Thursday. After a long hearing of more than three hours the Apex Court gave a verdict of floor test in Maharashtra assembly. Earlr Senior advocate AM Singhvi, appearing on behalf of Prabhu mentioned the plea before a vacation bench headed by Justice Surya Kant and said, "I have 4 or 5 points. Will be brief."

Singhvi said, "The letter which tells us about the floor test is dated June 28. Yesterday evening, the Leader of Opposition met the Governor. Media reports mentioned it was at 10 pm. Today, when we mentioned the matter, we received information about the floor test at 11 am tomorrow. Currently, two of the NCP MLAs are down with Covid and two Congress MLAs are abroad." He said the supersonic speed of the floor test left us with no time to call MLAs."

Singhvi said, "These people left from Maharashtra and went to Guwahati and on their way, they sent an email from an unverified account that we have no confidence in the Speaker. They have clearly walked across and hobbled with the Opposition." He asked, "After meeting the Leader of Opposition, how can the Governor call for a floor test without verification of the situation."

"The court must not allow a floor test to be held till the deputy Speaker decides on the disqualification petition against rebel MLAs," Singhvi told the Apex Court.

Citing the Uttarakhand Harish Rawat case, senior advocate AM Singhvi said, "A floor test was directed, but the disqualification decision was taken by the Speaker before the floor test. One day before the floor test, the President's Rule was imposed."

He also cited the Shivraj Chouhan (Madhya Pradesh) case where an "artificial majority was sought to be created by engineering resignations." Sunil Prabhu's lawyer told Supreme Court about a letter which tells us about the floor test.

MHA directs NIA to investigate Udaipur beheading incident

AGENCY
NEW DELHI, JUNE 29

Ministry of Home Affairs (MHA) has directed the National Investigation Agency (NIA) to take over the investigation of the brutal murder of a man in Rajasthan's Udaipur who was allegedly beheaded by two men in broad daylight in the region on Tuesday.

Home Ministry Office (HMO) took to Twitter to make the announcement a day after the incident that shocked people across the country. "MHA has directed the National Investigation Agency (NIA) to take over the investigation of the brutal murder of Shri Kanhaiya Lal Teli committed at Udaipur, Rajasthan yesterday," HMO tweeted. In the tweet, the HMO has also mentioned that "the involvement

of any organisation and international links will be thoroughly investigated". The move comes after a team of NIA was on Tuesday rushed to Udaipur including a Deputy Inspector General (DIG)-rank officer. As per government sources, the NIA team will file a case under provisions of the Unlawful Activities (Prevention) Act. The incident took place in Udaipur's Maldas area. Soon after committing the crime, the two accused posted a video on social media boasting about the beheading and threatened Prime Minister Narendra Modi's life as well, police said. The two accused were arrested within hours of the incident. One of the assailants, who was identified as Riyaz Akhtar, attacked Kanhaiya Lal with a sharp-edged weapon while the other, Ghos Mohammad, recorded the crime on his mobile phone, police said.

Complete work of parkings in urban areas by September: Hry CM

CHANDIGARH: Haryana Chief Minister, Mr. Manohar Lal while presiding over the review meeting of the Urban Local Bodies (ULBs) Department held today at Haryana Niwas directed all the ULBs to complete the marking work of parking areas in urban areas by September. He said that this would enhance the beauty of the cities as well as facilitate people to park their vehicles. Besides this, he also directed the officers concerned to prepare

an action plan for the construction of multi-level parking in the cities. Urban Local Bodies Minister, Dr. Kamal Gupta also remained present during the meeting. The Chief Minister directed all the District Municipal Commissioners to prepare the budget of Urban Local Bodies (ULBs) like the State Governments and link it with the data of Parivar Pehchan Patra so that the budget can be allocated according to the existing population of the cities. He said that after linking the data with PPP, more transparency will be ensured. Giving priority to development, all ULBs should prepare their budget and upload the same on the portal, directed Sh. Manohar Lal.

The Chief Minister said that everyone needs to pay more attention towards ensuring cleanliness in the cities. A portal related to Swachhata Campaign should be developed. The Municipal Corporation should be divided into different zones and in-charges should be appointed for ensuring cleanliness in different areas. The in-charges should personally upload their report on the cleanliness in the city on the portal every day. Even after this, if any complaint regarding cleanliness gets reported from any area, then the required action must be taken.

No decision on extending GST compensation to states

CHANDIGARH: The GST Council on Wednesday took no decision on extending beyond this month the compensation paid to states for revenue lost from the implementation of GST. Puducherry finance minister K Lakshminarayanan said all states sought an extension of the compensation mechanism, but no decision has been taken. A final decision is likely to be taken at the next meeting of the council in August. When a nationwide Goods and Services Tax (GST) subsumed 17 central and state levies from July 1, 2017, it was decided that states will be compensated for any loss of revenue from the new tax for five years. With two years being lost in the pandemic, states have sought an extension of this compensation mechanism. The Council - the highest decision-making body of the indirect tax regime, which is headed by Union Finance Minister Nirmala Sitharaman and comprises representatives of all states and UTs - discussed the issue at a meeting here but did not take a decision. Officials said a group of ministers (GoM) have been asked to further deliberate on the tax rate and the method of valuation of taxing online gaming, casinos and horse racing.

Problem of dirty water solved: SDO

VIRENDRA JANGRA TARAORI: SDO of Public Health Department to solve old dirty water problem of the people of Tarawadi Dayanagar. Vikas Gupta and Municipal Secretary, Tarawadi, Narendra Sharma along with their team inspected the spot. A cistern has been built at one end of the Dayanagar township to collect the waste water and the collected water has been dumped into the canal through tube wells for a long time, but after the NGT's instructions not to dump the dirty water into the canal, this has been done. The dirty water of the drains coming into the nod started going through the overflows to the houses built in the lower part there. Troubled people were constantly pleading with the administration and MLA Dharampal Gondar to solve the problem. Taking action on which today the officials of both the departments decided that a big hole would be built near this hound and all the water would be collected in it. The sewerage remains empty after eleven o'clock in the night, so now this water will be put into the sewerage after eleven o'clock in the night. Municipal Secretary Narendra Sharma said that the problem is big and it is being discussed continuously. After discussion with the officials of Public Health Department, this solution has been found today and this solution will be implemented soon.

HARYANA

YUGMARG, CHANDIGARH, THURSDAY, JUNE 30, 2022

Opposition is misleading people in Adani Power's name: Ranjit Singh

BUREAU CHANDIGARH, JUNE 29

Haryana Power Minister, Sh. Ranjit Singh has said that the Opposition is misleading the state in the name of Adani Power Limited. When Sh. Ran-deep Singh Surjewala was the Power Minister, the then Chief Minister, Sh. Bhupinder Singh Hooda had signed a purchase agreement with Adani Power, for 1424 MW of power wherein 70 percent domestic coal and 30 percent imported coal was to be used, which has now been changed to 83 percent domestic and 17 percent imported coal and 1200 MW of power is being taken from Adani.

The Power Minister was speaking to mediapersons in his office here today. In response to a question, he said that power is available from Adani Power Limited at the rate of Rs 2.94 per unit. Also, it is available from other thermals at the rate of Rs 3.40 per

unit. He said that the entire coal is being procured through Coal India Limited.

He elaborated that there is high demand for electricity in the months of May, June and July and there was no cut anywhere except for two-three days during peak hours. There was no cut in Gurugram, Faridabad industrial area as well. The power consumption reduces in monsoon. We purchase power from Kerala, Tamil Nadu, Orissa and West Bengal and if required from independent power producers also. But there will be scarcity of power for consumers. On January 28, 2022, as many as 26.40 crore units of electricity were supplied. About 9500 MW power is available from the state's own resources while the demand has reached 12768 MW.

In response to a question, the Power Minister alerted the consumer that if they receive any call pertaining to fixing power bill, then one should

be careful. The department has not issued any such number. He said that in case of bill, the lineman himself transmits the power bill to the consumers. He directed to conduct a vigilance inquiry on this number, especially on receiving complaints of fake calls from mobile number 0- 7679709312.

Responding to a query about civic election results, the Power Minister said that the performance of BJP in these elections has been outstanding and better. There are two aspects of election, winning and losing and we have won. People have rejected Congress and Aam Aadmi Party in civic elections. We will do well in the coming Panchayat elections as well, he added. When asked about the Sangrur Lok Sabha by-election, Sh. Ranjit Singh said that it is big setback for the Aam Aadmi Party. In Haryana, people are aware of politics and Haryana decides the direction of the country's politics, he added.

Vigilance Bureau nabs Woman ASI taking Rs 4 lakh bribe

MC move to clean drains before monsoon

R K KASHYAP YAMUNANAGAR, JUNE 29

In order to avoid water logging in the city during monsoon, the municipal corporation has made two zones and is cleaning the drains. On Wednesday, Additional Corporation Commissioner Dheeraj Kumar inspected the work of cleaning the drains being done in zone number two. After this, he also took stock of the cleanliness of the Dich drain near Jammu Colony. He directed the cleaning officers and the concerned agency to expedite the cleaning of all drains and ditch drains. At the same time, instructions were given to impose fine on the agency for not completing the cleaning work within the stipulated time.

Additional Commissioner of Corporation Dheeraj Kumar along with CSI Surendra Chopra, SI Bitoo and others went out on inspection of drains on

Wednesday morning. First of all he reached Panchayat Bhawan. Here he took stock of the cleanliness of the big drain coming from Jagadhri. After this he checked Jabbi Wala Gurdwara, near Masih Hospital, Tarapuri Railway Line culvert, Farakpur, Vishnu Nagar culvert, Vishwakarma Chowk and near Jodiya Gurudwara. During this, he himself checked the cleanliness of the silt by putting sticks in the drain and instructed the agency to clean the silt by deep cleaning the drain. Additional municipal commissioner reached the Ditch drain where the work

of first phase cleaning had been completed. Here he inspected the new gate built. He directed the cleaning officers and the agency to complete the work of cleaning the drains within the stipulated time period. At the same time, the agency was ordered to impose a fine for not completing the cleaning work within the stipulated time. He appealed to the residents not to use plastic carry bags. He asked the public to not throw the garbage from the house and shop in the drains. Due to this the drains get blocked and the problem of water logging arises.

Water is essential for humans, animals and birds. Dr. Anand

MAINPAL KASHYAP

INDRI: Sub-Divisional Magistrate Dr. Anand Kumar Sharma, IAS said that water is an important source for every animal and no animal can survive without water. Life cannot be imagined without water, so water is our life. He said that water is not only necessary for humans but also for animals, birds and plants. Nowadays, there is a continuous shortage of the ground water, due to which the problem of water is found not only in the villages but also in the cities. At present only a small percentage of potable water is available. Water is a natural resource, so water should be used wisely. Use as much water as is necessary. As soon as it rains, rain water should be collected at one place. This process is called rain water harvesting. He said that water is not less than nectar for all beings.

The governments are doing their best to save water. Therefore, the general public will also have to understand the importance of water. Dr. Anand Kumar Sharma said that everyone should understand the importance of water and make good use of it. He appealed to the people of the division to make good use of water and do not leave water taps open in parks etc. He said that if any person is found wasting water, legal action will be taken against him. He clarified that water is life, if there is water, then there is tomorrow. If we want to save water for the future, then its conservation is very important. Saving water will not only raise the groundwater level but also improve the quality of water.

Action plan ready to connect common man with Jal Shakti Mission

SHIV KUMAR SHARMA KARNAL, JUNE 29

Under the Amrit Mahotsav of Azadi, an action plan has been prepared to connect the general public with various activities related to the Jal Shakti Mission. These include activities to promote water conservation, such as rainwater harvesting for rainwater harvesting, not allowing drinking water to go waste, renovation of ponds and plantation. This information was given by ADC Dr. Vaishali Sharma in a meeting held with the officials of Irrigation Department, Panchayat Department, Education Department, Forest Department related to Jal Shakti Mission. She said that the monsoon season is about to begin and during this time more and more saplings should be planted. The availability of plants will be made by the Forest Department. The District Education Officer should prepare an action plan for plantation and get the children to compete for water conservation and the child doing good work in each block should be made a youth icon. There is a plan to make a human chain. In the meeting, the District Forest Officer informed that this year 1 lakh 17 thousand saplings are to be distributed to the Education

Department, 1 lakh 60 thousand saplings to the Panchayati Raj Department free of cost. The ADC directed the Forest Officers to set a target of taking out Taru Yatra and planting more and more saplings in the Van Mahotsav program along with other departments. Apart from this, 10 different places should also be identified for planting medicinal plants. He said that the Panchayati Raj Department should celebrate festivals on ponds and organize Jal Panchayat on 15th July and water dialogue programmes should also be organised in the second week of July.

Village Secretaries on 2-day mass leave

SAVITA BILASPUR, JUNE 29

The village secretaries of Pratap Nagar, Chhachhrauli went on 2 days mass leave due to non-fulfillment of their demands and Block Panchayat Development Officers associated with Panchayati Raj. Regarding this, all the village secretaries handed over a demand letter to BDO Chhachhrauli. All the village secretaries will be on collective leave on June 29 and 30. Village Secretary Balbir Singh said that due to the main demands of the Panchayati Raj Administrative Service Association from June 29 to June 30, all the village secretaries will not attend the office tomorrow due to being on collective leave.

Therefore, he has given a memorandum to BDPO Chhachhrauli and demanded to provide mass leave. Village secretaries Balbir Singh, Shamsher Singh, Anand Kumar, Rajesh Kumar, Hemant Kumar, Balkar Singh, Pradeep Kumar, Jasvir Khatana, Sandeep Kumar,

Jasvir Panwar, Abdul Sattar etc. while giving information about the demands of Panchayati Raj Administrative Association said that appointing officer is the Deputy Commissioner. Whereas the right of their promotion, cadre, transfers rests with the Director of Panchayati Raj Department. Therefore, their appointment authority should also be declared to the state headquarters only. The village secretary says that the patwari and his educational qualification are the same. But

are also assigned the work of the revenue department. Which has nothing to do with them. They say that one village secretary has the responsibility of four panchayats. In such a situation, the village secretary should be given a conveyance allowance of Rs 3000 for traveling from one panchayat to another and district headquarters. Village secretaries have demanded from the government that 10 per cent additional salary should be given for appointment in remote areas.

the patwari's salary is more than him. So their pay band should increase. Village secretaries say that the qualification for appointment of village secretary in Panchayat Officer is graduation. In such a situation, village secretaries should get promotion to the post of Panchayat Officer after 5 years of experience. The Panchayat Administrative Association also put forth a demand for appointment of Panchayat Officers in the Panchayat Samitis. Village secretaries allege that they

Trees planted will serve us: Ajay Rana

RINKU GONDAR

NISSING: Village Baras Dr. Bhimrao Ambedkar Social Reform and Education Committee organised the tree 'Plantation' programme, which was presided over by committee director Sunil Kumar. Agriculture supervisor Ajay Rana, also attended the programme and spoke about the importance of trees and plants in our lives. Trees maintain the seasonal cycle on the earth. To keep the cycle balanced, it is necessary to plant more and more plants and protect them. In such a situation, today there is a need to take concrete steps for the protection of the earth so that we can leave something good for our coming generation. He called upon the common people to plant a sapling in their lives and make others aware of the environment. The day is not far when we will have to carry a bottle of oxygen with us like a bottle of water. He urged the district administration and the forest department to run environmental awareness campaigns so that the coming generations could be saved. He also appealed to plant saplings along all the main roads of NH and districts. On this occasion, Om Prakash (Patwari retired), social worker Rajveer Singh, Rajesh, Sunil, Sanjay, Barendra, Jagdish and other villagers planted hundreds of saplings at different places of the village.

PSPCL supplied highest ever power
in single day of 3265 lacs units

RAJIV JAIN
CHANDIGARH, JUNE 29

Complying with the strict instructions of Chief Minister S. Bhagwant Mann to provide uninterrupted power supply for agriculture and domestic sector, the Punjab State Power Corporation Limited (PSPCL) had supplied highest ever power in a single day of 3265 lacs units which surpassed the previous year record of 3066 lacs units supplied on July 1, 2021 that is an increase of 6.49%. This year PSPCL has also successfully met highest ever peak demand of 14207 MW on 29-06-2022 at 12.15 PM by surpassing the previous year record of 13431 MW on 01-07-2021. This

summer due to increased temperature, demand of power is persistently high but despite this PSPCL is providing daily 8 hour power supply to its agriculture consumers and 24 hour power supply to all other categories of consumers in the Punjab without imposing any power cuts on any category of consumers.

Divulging further, Punjab Power Minister Sh. Harbhajan Singh informed, in view of the continuous high demand, PSPCL developed the strategy to adopt various deviation settlement mechanism measures for the reactive power management to optimize resources. He said that in order to compensate the reac-

tive power requirement of the system, condenser mode of unit no 3 of Ranjit Sagar Dam plant, which was not being used for many years, has now been made operational to compensate the 60 Mega Volt Amps Reactive (MVAR) requirement of reactive power in the system. Besides this, Mega Volt Amps Reactive MVAR capacity of the system has also been increased through a special drive by the addition of 341.61 Mega Volt Amps Reactive MVAR capacity with 251 units of capacitor banks at the grid sub stations and addition of shunt capacitors of required capacity at 11 KV feeders to improve the voltage profile of the system, he added.

Vegetable damage due to heavy rains, sowing of paddy started

SANJAY AGGARWAL
DHARAMSHALA, JUNE 29

In the district Kangra Kei areas, due to heavy rains that started late on Tuesday night, life has been disturbed. People's houses and courtyards have been flooded with water. However, in the midst of heavy rains, there is a smile on the faces of the farmers. Farmers have started sowing paddy on a large scale. Vegetable cultivation has suffered heavy losses due to heavy rains. A large number of farmers cultivate vegetables in the district. The vegetables produced from here go to various mandis of the district. But due to heavy rains, the plants have started rotting due to water logging in the vegetable fields as well. Due to power failure in Kangra city since 11 pm on Tuesday, people are also facing a lot of problems. Although there has been a slight drop in the temperature due to rain, but even after that, people have to face double problem due to heat and power failure. Even on Wednesday, people were seen cursing the electricity department due to non-availability of electricity. Taking advantage of the heavy rains, a large number of farmers have started planting paddy. Due to heavy rains, rain water has entered the houses of the people. In which it has become difficult for people to leave their homes. On the other hand, while the low-lying areas of the district are facing heavy rainfall, the hilly areas are receiving very less amount of rainfall. Small rivers drying up due to rain have also come in spate, due to which the administration has urged people to stay away from the rivers.

ZP cadre officers, employees act as backbone in development works in Panchayats: Bablu

BUREAU
UNA, JUNE 29

Indefinite leave Lotus strike of Zilla Parishad cadre officers and employees continued for the third day on Wednesday. During this, all the Zilla Parishad cadre employees and officers of Block Amb left work and sat on strike. The employees said that the strike would continue till they were not merged with Panchayati Raj or Rural Development Department. These officers and employees sitting on strike are getting the support of political parties. On Wednesday, Sudarshan Singh Bablu, state president of Congress Seva Dal Young Brigade also came to support him. He said that Seva Dal Young Brigade fully supports the demands of Zilla Parishad cadre officers and employees

sitting on strike. He said that for 22 years, they are adamant about declaring government employees and demanding merger in the department. Despite this, there has been no response from the government on this demand.Bablu said that these people act as backbone in the development works in the panchayats. Due to their going on strike, the development work in the panchayats has come to a complete standstill.

In this situation, along with the state, people are also suffering. Supporting the employees, he has demanded from the government that these employees should be merged with the department and declared as government employees. If the government does not accept their demands, then Congress Seva Dal Young Brigade workers will not even stop protesting by taking to the streets in support of them.

Ranju Rastogi criticises Pratibha Singh for issuing statement on Gudiya murder case

SANJAY AGGARWAL
DHARAMSHALA, JUNE 29

It is a matter of misfortune for the state and for the women, BJP Mahila Morcha district president Ranju Rastogi said this through the press in Dharamsala. He said that calling a heinous crime against a daughter by a woman as petty shows a narrow mindedness towards him and the women of his party. Pratibha Singh ji today you have hurt the sentiments of every woman. What can we expect from the Congress party president whose thinking is such that he describes an incident like rape as a minor incident. Can't believe anyone can stoop so low in the fight for power. Women have always been humiliated in the Congress party and surprisingly, Pratibha Singh being a mother, such rhetoric towards a daughter who is not in this world does not suit. Gudiya murder case was the most shameful incident in the state which shook all of us. There was a time when we all had moist eyes for dolls and today after so many years, a woman sitting on a responsibility gives such statements, which are condemned by the women's front. He said that Pratibha Singh should apologize for this shameful rhetoric, otherwise in the coming times, Mahila Morcha will oppose Pratibha Singh everywhere. BJP is always striving for women empowerment and today women are being given respect everywhere in the BJP government. From June 30, Himachal Pradesh Road Transport is giving a gift of 50 percent reduction in fare to women, which will prove to be a decisive step for women empowerment.

Action will be taken on use of single use plastic from July 1: DC

BUREAU
UNA, JUNE 29

Legal action will be implemented on the use of single use plastic in Una. This was stated by Deputy Commissioner Una Raghav Sharma in a meeting on this matter today with Additional Chief Secretary Prabodh Saxena after video conferencing held from Shimla. He said that from the point of view of environmental protection, the Central Government has decided to stop single-use plastic from July 1, which the Himachal Pradesh government is going to implement. He said that production, storage, distribution, sale and use of

single-use plastic items would be completely banned in district Una as well. The banned items include ear buds with plastic sticks, plastic sticks for balloons, plastic flags, candy sticks, decorative materials made of polystyrene (thermocool) for decoration, plates, cups, glasses, cutlery such as forks, spoons, knife, film wrapping or packing around sweet boxes, invitation cards and cigarette packets,

plastic or PVC banners less than 100 microns and stirrers.DC has contacted all producers, stockists, retailers, shopkeepers, e-commerce companies, street vendors, commercial establishments, malls, market places, shopping centers, cinema houses, tourist places, schools, office complexes, hospitals and other institutions of district Una. Called them not to use prohibited plastic and ensure their participation in

environmental protection. He said that appropriate legal action would be taken against the violators under the Environment Protection Act. He said that bulk sellers who still have single use plastic material, they should ensure to send it back to the company distributor. He said that the Central Government had apprised all the companies about this about a year ago and has given instructions to take back the old stock. DC directed the officials of the Pollution Board to make them aware by holding meetings with business circles, managers of marriage palaces, persons involved in catering work as well as all other stakeholders on this matter.

BJP government's farewell in Himachal certain: Rajendra Rana

RN KHERA CHANDIGARH, JUNE 29

Himachal Pradesh Congress Committee (HPPCC) working president and Sujampur MLA Rajinder Rana during the 'meet the press' organized at Chandigarh Press Club on Wednesday rounded up BJP on vivid issues and claimed that BJP Govt in Himachal Pradesh is all set for his exit after the upcoming Vidhan Sabha elections in state.

He said that the natives of the hill state have been completely disillusioned with the BJP Govt which is encouraging corruption over the years while the state Govt has completely failed on every front. While taking an aggressive

stand on Jai Ram Thakur led Govt, Rana said Govt indulged in a series of scams and scandals from police recruitments to fake degree distribution. He attacked the ruling party that every effort is being made to safeguard the culprits signifying the wrong intentions of Govt. While raising the doubts on the latest Agnipath scheme, Rana questioned the intention of the Central Govt that instead of protecting the future of the

youth, the Govt is toying with their career and future. He said that with the cancellation of direct recruitment in the army, the dreams of the youth have also been shattered and this will also weaken the military strength of the nation. According to him, lakhs of ex-servicemen have registered themselves for employment but the Modi led Govt, which has failed to provide them employment, is now talking of ensur-

ing employment to the Agniveers, which cannot be trusted. Rajinder Rana also charged the State Govt in connection with the fake degree scandal and termed it as the 'biggest fake degree scam of the country'. He regretted that the image of Devbhoomi (Himachal) was tainted by this scam while Govt has put all its efforts to securing the real culprits. He pointed out that instead of handling this case to Central Bureau of Investigation (CBI), the Govt seems to be in defensive mode by forming an Special Investing Team (SIT) by the state police. Rajinder Rana said that former state CM and BJP stalwart Shanta Kumar has also publicly expressed his anguish regarding the fake de-

gree scandal and has even committed why such effort to save the real culprits. Rana said that if the fake degree scandal is investigated minutely, it could turn out to be a scam worth Rs 20,000 Crores connecting big names of state polity.

He lauded that it will be the first case of its kind in the world wherein three private universities have been granted in a single panchayat in a state by violating the norms. He said that what was the deal behind this, it should also come to the fore. Rana said that the State Govt has been badly exposed in the public for the cancellation of police recruitment twice and openly selling the paper.

DC commends farmers for direct sowing of paddy

HOSHIARPUR (DALJEET AJNOHA): Proving to be an environmentalist by saving water, the progressive farmers of the district have so far sown paddy directly in 750 hectares. Excerpts from the interview: How does it feel to bag Best Child Actor award for your first ever title role in Baal Shiv? I am overjoyed to have won the Bharat Icon Best Child Actor award. This is my first award for playing Baal Shiv, and my family, friends, and entire team of the show are ecstatic. Everyone called and congratulated me. I want to thank my audience for their love and positive responses since the commencement of the show in November 2021. This award motivates me further to continue giving my best and keep the viewers entertained. I feel this is Lord Shiva's blessing. What inspired you to play Baal Shiv? My entire family is ardent devotee of Lord Shiva. My mother has helped me in learning all his stunts and has told me about many stories on Mahadev. I can say that Lord Shiva himself has inspired me to prepare for the title role of Baal Shiv. I consider myself lucky that, through this show, I can learn more about him. Describe your relationship with the co-stars of the show? The entire cast and crew of Baal Shiv have become my family. I feel the set of the show is my home. I share a close bond with Mouli Ganguly, who plays the role of my mother Mahasati Anusuya in the show. While audience get to watch the beautiful, endearing relationship between mother Mahasati Anusuya and Baal Shiv in the show, not many know about our special bond behind the camera. She not only assists me when I am shooting scenes, but we also play games together in our free time.

Here Are Some Food Options To Eat Before And After Yoga

The optimal time for practicing yoga is during the early hours of the day on an empty stomach, but given today's hurried lifestyles, many individuals find themselves cramming it into the midst of their workdays and personal lives. Eating the proper foods prior to and after yoga is vital to its performance, as is the timing of meals. Abhishek Gagneja, the founder of Yoga Brands, recommends the following pre- and post-yoga meal options. What To Eat Before Yoga Session? To move, bend, and stretch with ease, one must know how to fuel their body prior to a practise. As a source of energy, one could consider basic carbs with minor amounts of protein, fat, or fibre. Banana or apple with peanut butter, avocado toast, or simple hummus with carrots are ideal pre-yoga snacks. Additionally, you can make your own protein bars by combining dried fruits and nuts with honey. If you want to do yoga in the morning, you should consume fruits at least 45 minutes before your exercise. Start the day with protein-rich foods like yoghurt, almonds, oats, smoothies, and eggs for a revitalising and energetic experience. Smoothies are convenient, and simple and save you the time and stress of preparing a full meal. Those who plan to do yoga in the evening might consume light snacks an hour or two before

beginning their workout. You can add a bowlful of steamed vegetables, salads, or soups to feel energized well enough to exercise. Prior to practise, consume snacks that are easy to digest and will help you maintain flexibility.

Spicy, greasy, and acidic foods should be avoided because they can upset the stomach and cause discomfort during practise. In general, one should leave 1-2 hours to digest after a light snack and 2-3 hours to digest after a light meal before the session. What To Eat After Yoga Session? Drinking 2-3 litres of water every day is

recommended for good health. Water should be consumed 30 minutes after your yoga session. To avoid muscle discomfort, cramps, and dehydration, you must recover after a session, just as you would after an intense workout. To make your water more refreshing, try infusing it with cucumbers or lemons. Coconut water is also a good source of electrolytes. Focus on water-rich foods such as kiwis, citrus fruits, pineapple, watermelon, celery, and tomatoes that will make you feel light and cleansed. Avoid drinking caffeine and other sugary beverages that could dehydrate you. After an intense yoga session, it is important to provide your body a nutrients rich meal. Choose a balanced meal with greens and protein, such as tofu with vegetable or chicken broth soup. These soups can be made using carrots, celery, spinach, or cabbage. If your practise is in the morning, you can also consume a bowl of fresh seasonal fruits or vegetable salads with egg whites, a Whey Protein Isolate-enhanced Greek yoghurt parfait with fruit, nuts, and oats, tofu, or a blueberry-banana-mint smoothie.

Corrupt woman ASI sacked, sent to jail

**SHIV KUMAR SHARMA
KARNAL, JUNE 29**

Woman ASI Sarita, who was caught taking a bribe of Rs 4 lakh in Karnal, Haryana, was presented in the court on Wednesday. The court sent her to 14 days of judicial custody. Meanwhile, Karnal SP Ganga Ram Punia dismissed the woman ASI from her job. On the other hand, according to Vigilance, after the statements of ASI Sarita, the DSP of Karnal and the station in-charge will also be included in the investigation. According to the complaint given by Navjot Sandhu to Vigilance, a woman lodged a case of dowry harassment and rape against him, Jundla's youth and his family. In the same area, he got a call from Sector 32-33 police station of Karnal. After this, when he met the SP of Karnal, the SP assured him of a fair investigation. According to Navjot Sandhu, despite the trust of the SP, the DSP of Karnal did not talk to him satisfactorily and asked to meet the woman ASI Savita. When he met the

woman ASI Savita, she demanded Rs 10 lakh and said that after taking Rs 10 lakh, she would remove the section of rape and the names of some people from the case. According to Navjot Sandhu, when he told the female ASI Savita that this is a false case and Rs 10 lakh is too much, the female ASI asked to pay Rs 8 lakh. Savita also told him that out of these Rs 8 lakh, Rs 4 lakh has to go to the DSP and Rs 3 lakh to the SHO of Sector 32-33 police station. She will have only one Rs 1 lakh. ASI Savita asked to give Rs 4 lakh before and Rs 4 lakh after the work is done. Navjot Sandhu complained about this entire matter to the Vigilance. Vigilance officers, after getting the complaint verified, formed a team and gave Rs 4 lakh to Navjot Sandhu, who had put chemicals on it. Navjot Sandhu reached the police station of Sector 32-33 with the amount and caught ASI Savita there with Rs 4 lakh. At the same time, the Vigilance team raided and arrested the female ASI red handed. Vigilance team took the mobile phone of female ASI Savita in their possession.

BSF to give Rs.1 lakh to drone informer

**RAMESH KASHYAP
FEROZEPUR, JUNE 29**

Drone activities from Pakistan have become a real cause of concern in border areas as many drone droppings have been reported. Apart from BSF's manual vigilance and technological surveillance, people have now become the third eye on the border on Pakistan-backed drone activities. To put a check on the smuggling of contraband from across the border from Pakistan, with new technology using the drones and Border Security Force (BSF) known as first defense line of India, has sought cooperation from the border villagers in shooting down Pakistani drone and informer would be given a reward of Rs.1 lakh. The recovery of a

consignment of arms and ammunition dropped by Pakistan in the Ferozepur belt in the past has necessitated training given to the border dwellers regarding drone activities in their respective areas. After repeated infiltration by Pakistan drones in different areas and recovery of heroin, the Ferozepur-based BSF has started giving training to civilians living near the border to sound a timely alert

about drone activities.

The people have become a force multiplier for the BSF by keeping a hawk's eye on the drone activities from Pakistan. The BSF has trained people by conducting drone awareness programmes (DAPs) on various aspects of drone activities along the Indo-Pak border. Om Parkash, 116 Bn Commanding Officer, on Tuesday had a meeting with the border villagers, at

Shameke village BOP, to make them wiser about the movement and activities of drone along the border. He appealed to them to immediately inform the BSF officials on the given numbers, the moment the drone sound is heard or spotted in the sky during the night. He also said the informer would be given a reward of Rs.1 lakh. Those who give information about drones spotted along the border, will now get a reward of Rs 1 lakh, he added.

He said, the idea behind training border residents about drone techniques is to make them aware so that whenever they see any such activity in their area, they can easily identify the flying object and the same can further be brought to the notice of the security forces.

Incident of murder of Kanhaiyalal by slitting his throat in Udaipur is heart-wrenching: Harish

**R.SINGH
PATHANKOT, JUNE 29**

The incident of murder of Kanhaiyalal by slitting his throat in Udaipur is heart-wrenching. This murder has been done outright. Which is less to be condemned. Nationalist Congress Party's State Senior Vice President Harish Mehta said this. He said that the government itself is responsible for this incident. Whereas a few days ago, it was already announced by the killers by making a video without fear that they would carry out this incident. But neither the state government paid attention to it nor did the central government do anything. Harish Mehta said that if the President of Rashtriya Vishwa Hindu Parishad does not give any statement on these killings of Hindus, then he has no right to remain on the post of National President. On the other

man will be called. Therefore, the government should provide security to all, otherwise all types of security should be stopped. Only the Prime Minister should be given security. Harish Mehta said that Muslims should also accept this fact that twice as many Muslims are living in Pakistan as they are in India. If he wants to turn India into Afghanistan, forget it. Because the day a Hindu comes on his own, then not a single Muslim will be seen in India.

In an eye-catching Wimbledon debut, Maxime Cressy's rapid rise continued. Relying on the serve-and-volley game that dominated the All England Lawn Tennis Club for much of its history, the World No. 45 earned his first Top 10 win by defeating Felix Auger-Aliassime with a near-perfect serving performance.

Matteo Berrettini withdraws after testing COVID-19 positive

LONDON: Matteo Berrettini, the 2021 finalist, has withdrawn from Wimbledon after testing positive for COVID-19. Twenty-four hours after the men's singles lost former finalist Marin Cilic to a positive COVID-19 test, the 2021 runner-up and recent Queen's champion Matteo Berrettini shocked the tennis world with identical news on Tuesday.

The Italian No.8 seed, who had won back-to-back grass titles during his Wimbledon preparations, said he was "heartbroken" to have to miss out. "The dream is over for this year but I will come back stronger."

"I am heartbroken to announce that I need to withdraw from Wimbledon due to a positive COVID-19 test result," wrote the 26-year-old via Instagram. "I have had flu symptoms and been isolating the last few days. Despite symptoms not being severe, I decided it was important to take another test this morning to protect the health and safety of my fellow competitors and everyone else involved in the tournament." "I have no words to describe the extreme disappointed I feel. The dream is over for this year, but I will be back stronger. Thank you for the support," he added. Berrettini will be replaced in the draw by Swede Elias Ymer, who will face Cristian Garin in the first round at the grass-court Grand Slam in London. The tournament posted its own message of support for the Italian via Twitter: "We'll miss you, Matteo - come back stronger in 2023." Berrettini did not play for three months after undergoing hand surgery in late March, but the Italian has been unstoppable since returning to Tour just three weeks ago.

Nehwal crashes out*

**AGENCY
KUALA LUMPUR, JUNE
29**

The second game of the match saw Chochuwong fighting back but could not hold Sindhu's attacks longer and crashed out of the tour-

nament.

Meanwhile, it was a bad day for the 2012 London Olympic bronze medallist Saina Nehwal, who suffered a defeat against American Iris Wang 11-21, 17-21 in 37 minutes.

Earlier, India's HS Prannoy started off his Malaysia Open 2022 campaign with a win over the Malaysian Liew Daren in the first round. Playing in court 1, the Indian won his match by margin of 21-14, 17-21, 21-18. Prannoy got off a good start, winning the first game. His Malaysian counterpart bounced back to win the second game.

On their way to this unique record, Hooda and Samson's stunning partnership became the ninth high-

est in all men's T20Is.

Taking about the match, Top knocks from captain Andrew Balbirnie (60), Paul Stirling (40) and Harry Tector (39) went in vain as India snatched the match from Ireland in the last over, winning the last-ball thriller by four runs.

With this, India have won the series 2-0. Ireland though will walk away with a lot of positives as they were in the match till the very last ball and gave India a scare of the lifetime with their batting.

Cricket fraternity reacts as Eoin Morgan announces retirement

**AGENCY
LONDON, JUNE 29**

Morgan's teammate Jos Buttler shared some pictures and captioned, "Captain leader legend. Thanks for everything boss," with a heart emoji.

The England and Wales Cricket Board (ECB) took to their Twitter and wrote, "You've changed English cricket forever. An innovator A motivator A champion Your legacy will live on... #ThankYouMorgs ."

Pakistan batter Mohammad Hafeez tweeted "Congratulations mate on fantastic desirable career. To me u are game changer for

@ECB_cricket in white ball cricket as captain. Loads of respect for our services. Real entertainer @Eoin161-cricket world will miss u. Best wishes for future endeavours. Stay blessed." Eoin Morgan called time on his 16-year international career earlier today. Having made his debut for Ireland in 2006, Morgan went on to play for England and retired as one of their greatest white-

ball players. "After careful deliberation and consideration, I am here to announce my retirement from international cricket with immediate effect," said Morgan. "To call time on what has been without doubt the most enjoyable and rewarding chapter of my career has not been an easy decision, but I believe now is the right time to do so, both for me, personally, and for both England white-ball sides. I have led to this point," he added. "I have been lucky enough to play in two World Cup winning teams, but I believe the future for England's white-ball teams is brighter than ever. We have more experience, more strength and more depth than ever before. I look forward to watching on with a huge level of excitement," he said. During his 13-year international career with England, the 35-year-old won the ICC Men's Cricket World Cup as Captain in 2019 at Lord's, the first time England Men had won the world crown. He was also a part of the England team that won the 2010 ICC Men's T20 Cricket World Cup in the Caribbean.

Bobby Deol celebrates 47 years of his father's hit flick 'Pratiggya'

As the popular film, 'Pratiggya' clocked 47 years on the horizon of Indian cinema on Tuesday, actor Bobby Deol shared a picture reminiscing the fond memories associated with his father's hit flick. Taking to his Instagram story, Bobby dropped a picture of his beloved father Dharmendra from the film, celebrating 47 years of 'Pratiggya'. He captioned the picture and wrote, "My most favourite movie of my papa, I wish I could do his role in the remake".

Directed by Dulal Guha, Pratiggya narrates the story of Ajit, played by Dharmendra, who wants to avenge his father's death. Hema Malini plays the role of Dharmendra's love interest, Radha Lachman Thakur.

Co-produced by Dharmendra and BS Deol, Pratiggya was a big commercial success at the box office and was one of the three most successful films of 1975. The film also starred Ajit, Jagdeep, Mukri, Johnny Walker, Mehar Mittal and Keshto Mukherjee in pivotal roles.

After Salman, Aamir Khan pays visit to Ram Charan and Upasana

Bollywood star Aamir Khan paid a visit to South Indian star Ram Charan and his wife Upasana Kamineni Konidela recently at their home in Hyderabad, post-Salman Khan's visit. On Tuesday, a glimpse of these stars was posted from the Instagram account of Ram's pet Rhyme. In the picture, Upasana was seen holding Rhyme in her arms, the picture was captioned, "More cuddles for me". In the glimpse, Aamir could be seen posing with Upasana, who was holding her pet dog Rhyme, while Ram Charan stood next to her. The trio posed and smiled for the lens

Then the same picture was posted from Upasana's Instagram handle, she shared both the glimpses posted on Rhyme's Instagram handle, including the one with Salman Khan, Pooja Hegde, and Daggubati Venkatesh, and the other one with Aamir Khan. She captioned the pictures, "Our

darling @alwaysrhyme is getting too much love. Thoroughly enjoyed both evenings." In the glimpse, Ram Charan could be seen posing happily for the lens along with actors Pooja Hedge, Ram Charan's wife Upasana Kamineni Konidela, Salman Khan, Rhyme and Venkatesh Daggubati.

In the photo, Salman could be seen sporting a black T-shirt pairing it up with matching hues pants and shoes. Venkatesh could be seen standing next to Salman, posing happily for the camera, donning a black and olive green attire.

Bollywood and South diva Pooja Hegde opted for a beige top, white slim pants and shoes. While Upasana opted for a salmon top and blue skirt. And Ram Charan went for a royal blue tight-fit shirt and black slim pants for the get-together.

Meanwhile, on the work front, Aamir will be seen headlining 'Laal Singh Chaddha',

which is the Hindi remake of the widely successful 1994 Hollywood film Forrest Gump. Kareena Kapoor Khan and Mona Singh are also a part of the film, which is scheduled to release on August 11.

A few days back, Aamir unveiled the film's trailer which took viewers on a joyride of emotions. The almost 3-minute-long trailer gave a glimpse into the fascinating and innocent world of Laal Singh Chaddha, the film's protagonist.

His slow-witted approach and childlike optimism are the driving force of the movie. In the trailer, Aamir's calming voiceover and his eyes-wide-open look gave flashbacks to his mannerisms from Rajkumar Hirani's 'PK'. It showed multiple picturesque locations, exhibiting the Indian heritage in its tranquil form. Aamir's cute chemistry with Kareena is great and Mona Singh also looked seamless in the role of the protagonist's mother.
