# Modi kicks off 'Rozgar Mela'

## India making every effort to deal with global economic challenges: PM

## Hry to give 50 percent VAT rebate to industrial units using natural gas

BUREAU  
CHANDIGARH, OCT 22

Haryana Government has decided to give a 50 percent rebate in Value Addition Tax (VAT) to industrial units in the state that will replace diesel generator sets required to meet their energy requirement with natural gas. This scheme will be applicable to entire industries including MSMEs and will be effective for 2 years from the date of its notification.

A decision in this regard was taken in the meeting of the Standing Finance Com-

mittee held here today under the Chairmanship of Chief Minister, Sh. Manohar Lal. Deputy Chief Minister, Sh. Dushyant Chautala was also present in the meeting.

Notably, the use of diesel-powered generator sets is banned in the National Capital Region. Now the industries that will meet their energy requirement from CNG, PNG will get a 50 percent exemption in VAT.

Similarly, the Committee also approved giving a subsidy of Rs.164.66 crore per year to electric vehicle manufacturing companies under

various heads, under Haryana Electric Vehicle (EV) Policy 2022. The Chief Minister was apprised that the EV Policy aims to protect the environment, reduce carbon footprint, make Haryana an EV manufacturing hub, ensure skill development in EV field, encourage uptake of EV vehicles, provide EV charging infrastructure and encourage R&D in EV technology. The policy encourages new manufacturing in EV technology and also encourages existing automobile manufacturers to diversify in EV manufacturing domain.

AGENCY  
NEW DELHI, OCT 22

Highlighting the reforms undertaken by the Centre for the development of the country, Prime Minister Narendra Modi on Saturday said that India is trying its best to save itself from the global crisis and economic slowdown.

Prime Minister Modi launched the 'Rozgar Mela', a recruitment drive for 10 lakh personnel, through

video conferencing today.

Addressing the event, PM Modi said, "For fulfillment of the resolve of a developed India, we are marching ahead on the path of self-reliant India. The efficiency of government departments has increased due to the efforts of our Karmayogis. 7-8 years of hard work is behind it."

He said the reforms undertaken in the last eight years have steered India to

become the fifth-largest economy in the world.

"India is today 5th largest economy in the world. In the last eight years, we have jumped to the 5th position from the 10th position. It is true that many big economies of the world are struggling with inflation and unemployment...The

side effects of the biggest crisis in 100 years cannot just go away in 100 days," PM said. "Despite this, India, with full force, new initiatives and some risks, has been trying to save itself from the global crisis. We have been able to save ourselves till now with your cooperation."

## AAP won't win a single seat in Himachal : Anurag Thakur

SHASHI PAL JAIN  
CHANDIGARH, OCT 22

Union Minister Anurag Thakur reiterated that BJP would retain power in Himachal Pradesh in the assembly elections. While speaking to media on Saturday the BJP leader said that Himachal had witnessed an unprecedented development in last five years and double engine government would further accelerate the pace of development in state in the coming future.

The "double-engine" phrase is used by BJP lead-

ers to emphasise that development will be expedited if the same party is at the helm in states and the Centre.

Voting for the Himachal Pradesh Assembly elections will take place on November 12 and the counting will be held on December 8.

Asserting to form a government in Himachal, Anurag Thakur claimed that the AAP would not be able to win a single seat in the assembly election of Gujarat and Himachal Pradesh. "In the Gujarat assembly elections, the BJP will register a landslide victory. I can give it in writing as I am confident about it," Thakur affirmed. "Prem Kumar Dhumal has long been working for the state, and every BJP worker admires him. BJP will win the Himachal Pradesh assembly election with collaborative efforts," remarked Thakur. "On the occasion of Dhanteras, 75,000 youth were given jobs - it's a big gift."

## 15 die, dozens hurt in bus-truck collision

REWA (MP), OCT 22

Fifteen male passengers died and more than 40 sustained injuries when a bus - mostly carrying labourers heading towards Prayagraj for celebrating Diwali with their families - plowed about three to four feet into the rear of a truck during the intervening night on this district's Sohagi hill in Sohagi Police Station limits, law-enforcement authorities said on Saturday.

Thus far, only a couple of the deceased have been identified as Raju Ansari (31) and Kaleem Khan aka Lallu (35) both of whom hailed from Kutraila in Uttar Pradesh's Balrampur district. The lorry itself rammed another one that was ahead of it. Fourteen individuals perished on the spot whereas one succumbed while being rushed to this divisional headquarters' Sanjay Gandhi Memorial Hospital where the other injured have been admitted.

Senior administrative and police officers reached the scene and supervised extrication of victims from the mangled vehicle. Traffic movement was affected during the rescue operation but restored by morning. Those aboard the ill-fated bus were natives of different places in Uttar Pradesh. They had travelled by another bus from Hyderabad to Jabalpur.

## Celebrating Diwali for the cause of speechless

**CHANDIGARH:** The Society for Prevention of Cruelty to Animals (SPCA) Sector-38, Chandigarh which is functioning under the Presidentship of Deputy Commissioner, UT Chandigarh celebrated Diwali for the cause of speechless today in its premises.

The main objective of society is to prevent cruelty to animals, provide veterinary assistance to homeless/injured/stray animals, and impart humane education to the general public against the implication of pain or suffering to the ownerless animals. The 'Home for Homeless' campaign was organized at SPCA by encouraging the adoption of stray/abandoned animals on the eve of Diwali.

The awareness drive has been

launched for this Diwali week to make the public more aware of how fire work/crackers harm the voiceless creatures living on the roadside and affect their physical and mental health.

The continuous loud bursts are literally nerve-racking to them. The pollution of crackers not only kills the environment but tortures animals to the point where they end up suffering from anxiety, fear, and sometimes death. In their message, the SPCA requested to the public to be more compassionate towards these voiceless creatures and leave their ignorance at the door and show some empathy towards them. They added that Diwali would have been so much pretty if the frightening sounds of crackers would not twinge the stray animals.

**AMRITSAR, OCT 22**

Shiromani Gurdwara Parbandhak Committee (SGPC) President Advocate Harjinder Singh Dhami, reacting to the announcement of Dera Sirsa head of opening a Dera in Mansa, has demanded from the government to immediately stop his activities. Advocate Dhami said that the character of Dera Sirsa head Gurmeet Ram Rahim is anti-social and the charges leveled against him are heinous. Convicted in rape and murder cases, Ram Rahim is also the main accused in sacrilege cases.

Advocate Dhami said that the announcement by this controversial person to open a dera in Punjab has hurt the Sikh sentiments and this may spoil the peaceful atmosphere of Punjab. conspiracy to now announce the opening of his Dera in Mansa.

He said that the Sikh community will never tolerate this act of his. The government should not allow the convict of heinous acts to play with the religious sentiments of the people.
