108 killed in Kerala landslides

AGENCY
WAYANAD (KERALA), JULY 30

Heavy rains triggered a series of massive landslides in the hilly areas of Kerala's Wayanad district early on Tuesday, leaving at least 108 persons dead and sparking apprehensions of possible increase in fatalities due to hundreds of people feared trapped under the debris.

Calamity struck in the early hours of

Tuesday, catching the sleeping victims off-guard. Frantic calls for help were made and the rescue personnel were racing against time to pull out survivors.

In connection with the landslide in Chooralmala she confirmed that 36 deaths have been reported. Additionally, nine bodies swept away by the Chaliyar River were recovered in Malappuram.

The bodies of the deceased are being taken to various hospital morgues for

identification and autopsy. Mundakkai, Chooralmala, Attamala, and Noolpuzha villages were among the areas affected and cut off by the landslides, authorities said. Rescue teams were working tirelessly to evacuate those stranded, with the Indian Army joining the efforts. Besides the National Disaster Response Force (NDRF), the state government has also deployed disaster response teams from the police and the fire force to affected areas.

AAP Punjab stages protest against BJP, demands immediate release of Kejriwal

CHANDIGARH, JULY 30

The Aam Aadmi Party (AAP) Punjab staged a state wide protest against the dictatorship of the BJP, their misuse of central agencies and for keeping Arvind Kejriwal in jail in a false case. The AAP leaders said that agencies don't have any proof of any scam against Arvind Kejriwal or any AAP leader but they are keeping them in jail. They said that Arvind Kejriwal is a political prisoner and they demanded his immediate release.

Thousands of people gathered in a state level protest organised against the arrest and continued mistreatment of the AAP National Convenor & Delhi CM Arvind Kejriwal near Gurudwara Sri Amb Sahib, Mohali. AAP cabinet ministers, MLAs, party's office bearers and workers joined this protest in large numbers. AAP Punjab general secretary Harchand Singh Barsat convened the stage and strongly criticised the Modi government for their unconstitutional and undemocratic actions against Arvind Kejriwal. BJP knows only Arvind Kejriwal and AAP can take on them, so they are keeping our leader in jail because they are scared: Minister Brahm

Shanker Jimpa

Addressing the gathering during the protest, Cabinet Minister Brahm Shanker Jimpa said that ED and CBI are being misused blatantly. After the Gujarat elections, the BJP understood that if anyone can give tough competition to them, it is Arvind Kejriwal's Aam Aadmi Party.

He added that the AAP has done revolutionary work in the field of education and health in Delhi and Punjab. The word was spreading in the entire country, so the BJP got scared and started arresting the AAP leaders under a false case. The truth never gets scared and the truth cannot be suppressed for long. The witnesses in this case

had directly given money to the BJP. Arvind Kejriwal got bail from session court and then he was about to get bail from the Supreme Court then the CBI wrongfully arrested him.

First ED arrested and kept Arvind Kejriwal in jail in a false case, when he was about to get bail, then CBI wrongfully arrested him, their only motive is to keep Arvind Kejriwal in jail: Minister Laljit Singh Bhullar Minister Lalji Singh Bhullar said that today we all have gathered in support of our beloved leader Arvind Kejriwal and the INDIA alliance is staging such protests nationwide to oppose the misuse of central agencies. First, ED put Arvind Kejriwal in jail in a false case and when

Modi and Amit Shah came to know that he had gotten bail, then CBI filed another case and stopped Arvind Kejriwal ji's bail.

If there had been any scam, then the agencies would have found some money or money trail, but the agencies did not get even 1 because there was no corruption or scam.

Bhullar added that First Jharkhand Chief Minister Hemant Soren was arrested, then Delhi's three-time Chief Minister Arvind Kejriwal was arrested. The reason for arresting him was that the BJP knew that if Arvind Kejriwal continues to campaign, the INDIA Alliance government is sure to be formed in the country.

Mahila Morcha to celebrate National Handloom Day on Aug 7 at Mandal Level: Archana Chauhan

RAJNEESH SHARMA
HAMIRPUR: Mahila Morcha District President, Archana Chauhan, announced that National Handloom Day is celebrated annually on August 7 to commemorate the launch of the Swadeshi Movement. This movement strongly supported indigenous industries and the spirit of Swadeshi, including handloom weavers. In 2015, the Government of India officially designated this day as National Handloom Day. Chauhan stated that celebrating National Handloom Day also supports the Vocal for Local mission initiated by our honorable Prime Minister, Narendra Modi. Chauhan highlighted that Hamirpur MP and former Union Minister, Anurag Thakur, has implemented various handloom schemes in his parliamentary constituency, benefiting many women. The primary objective of handloom is to promote the consumption of domestic products, achieve self-reliance in production, and local supply. She emphasized that the textile industry is a significant source of employment in the country, providing jobs to over 4.5 crore people. Since the majority of weavers are women, promoting Handloom Day is the responsibility of the Mahila Morcha. Chauhan mentioned that several schemes launched by Prime Minister Narendra Modi directly benefit handloom workers. These include the Comprehensive Welfare Scheme for Handloom Weavers (HWCWS), Pradhan Mantri Jeevan Jyoti Bima Yojana (PMJJBY), Pradhan Mantri Suraksha Bima Yojana (PMSBY), and components under the Integrated Mahatma Gandhi Bunkar Bima Yojana (MGBBY). These schemes provide life, accident, and disability insurance coverage to handloom weavers and workers. She urged everyone to not only celebrate National Handloom Day on August 7 but also commit to promoting and supporting handloom products throughout their lives.

CM unveils green energy vision and forestry reforms at 75th Van Mahotsav

DINESH AGARWAL SHIMLA, JULY 30

Chief Minister Thakur Sukhvinder Singh Sukhu inaugurated the 75th State-level Van Mahotsav by planting an oak sapling at his official residence, Oak Over, today. He said that the Forest Department has set an ambitious target to plant saplings on 9,000 hectares of land across Himachal Pradesh this year.

In a significant move, the Chief Minister introduced a Standard Operating Procedure (SoP) for the disposal of unattended dry and salvage trees. This SoP permits the cutting of up to two trees at the forest guard level and up to 25 trees at the Divisional Forest Officer (DFO) level. Additionally, powers have been delegated to DFOs and

officers of the State Forest Development Corporation to expedite tree removal following the first phase approval of the Forest Conservation Act, particularly for linear projects. The Chief Minister also launched the beta testing of the e-forest software, a new digital initiative aimed at streamlining departmental operations and enhancing transparency within the Forest Department. He emphasized the importance of increasing the plantation of fruit trees in forest areas from 30 percent to 60 percent, with anticipated positive outcomes within the next ten years. He highlighted that the Forest Department and Corporation processed 15,000 salvage trees last year, generating substantial revenue from timber sales, which resulted in an increase in the state government's royalty

income from Rs. 35 crore to Rs. 70 crore in just one and a half years. In a strategic shift, the State Government has decided to shut down the construction wing of the Forest Department to allow it to concentrate on core forestry activities. In Lahaul-Spiti district, Mahila Mandals have been engaged in plantation activities and forest conservation, generating revenue for these women's groups. The Chief Minister remarked that the current State Government has undertaken numerous initiatives for 'Vyavastha Parivartan' (systemic transformation). He noted that various government departments, including the Forest Department, are undergoing significant changes to improve their functionality and benefit the people of the state.

Anurag Thakur slams HP govt for ending health scheme

AGENCY BILASPUR, JULY 30

Senior BJP leader and former Union Information Minister Anurag Thakur on Tuesday dubbed the Congress government in Himachal Pradesh as anti-people and said that its decision to shut down Him Care health insurance scheme, which allowed people to avail treatment in private hospitals, was another example of this.

In a statement issued here, Thakur said, "The current Congress government has proved to be the most corrupt, confused and lazy government in the history of Himachal. This 19-month-old government has no achievements of its own and by putting a lock on the good works of the BJP,

the Congress is playing with the interests of the public." "In 2019, during its tenure in government, the BJP started the Him Care scheme in Himachal to provide cashless treatment to the people who were left out of the Ayushman Bharat scheme, which was benefiting lakhs of people," he said. The facility of getting treatment in private hospitals

in case of not getting good treatment in government hospitals was a boon for the public, but the Congress government has taken a tyrannical decision to close the Him Care scheme, Thakur said. He said, "Whenever Congress comes to power in Himachal Pradesh, development work comes to a halt, encroachment starts increasing. "

The construction company has been dragged to court over alignment, DPR, compensation, retaining walls, quality, and unorganized construction processes, but from Kot to Dharmapur, the situation hasn't improved. The issue was even raised in the

Himachal Assembly, yet conditions remain unchanged. In the latest development, the construction company appears to be entangled in confusion in Tauni Devi Bazaar. About two years ago, around 40 shopkeepers were forced to demolish their shops and live amidst dust. Now, due to excavation under the guise of leveling, shops and commercial establishments are left dangling. Disorganized

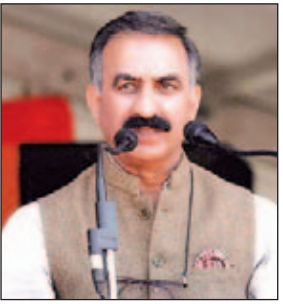

excavation has made it difficult for elderly pensioners to reach two banks in Tauni Devi. In an attempt to eliminate the incline from Punjab National Bank to Tauni Devi Temple, the market built nearly thirty years ago is being put at risk. Erratic excavation has led to moisture and water seeping into the basements of shops, potentially leading to a major disaster, thereby increasing the troubles for shopkeepers.

SANJAY AGGARWAL DHARAMSHALA, JULY 30

On the closure of Him Care scheme in private hospitals of the state, former MLA Sabha President and BJP MLA from Sulh, Vipin Singh Parmar said that the Sukhu government has proved to be an anti-state and anti-people government. He said that the Congress government has closed the Himcare scheme in private hospitals due to mismanagement. The Sukhu government has issued another Tughlaqi decree against public interest, due to which the patients getting treatment in the hospital have suffered a double blow. Vipin Singh Parmar said that by locking down the good

works of the BJP, the Sukhu Congress is playing with the interests of the public. In the year 2019, during its tenure, the BJP had started the Himcare scheme in Himachal to provide cashless treatment to the people left out of the Ayushman Bharat scheme, which was benefiting lakhs of people of the state. Which has now been stopped by the Congress government. He said

that this decision is a cruel joke with the people of the state, which cannot be condemned enough. The condition of government hospitals is bad where patients have to face a lot of inconvenience for facilities like dialysis. In such a situation, earlier the patients used to leave the government hospital and go to private hospitals, now the Congress government has attacked that too. He said that the facility of getting treatment in private hospitals was a boon for the public. But the Sukhu government has axed the Himcare scheme which was the support of the public in Himachal and has ended it, due to which now the patients have to face a lot of problems.

In loving memory of my remarkable grandmother (Badi Amma)

hardwork. Through her actions, she demonstrated that true strength lies in gentleness and that love is the greatest legacy one can leave behind. Though she is no longer with us, her spirit lives on in the memories we cherish and the values she instilled in us. I often find myself recalling her face, her talks, her anger, her warmth, her stories, her laughter and her unwavering support.

In moments of doubt, all our family used to take ad-

vices from her which were the most precise and to the point, to which no one could contradict. She was a lady with utmost knowledge, both academically and life lessons. In my knowledge, I have been with her for almost 24 years and there was not even a single thing to which I was left unsatisfied from her answer.

Throughout, in terms of academics, she taught me science and maths specifically and her vibrant knowledge devoted my mind to gain the true knowledge instead of just 'studying'.

Ofcourse she was super intelligent as she was M.Sc Physics honours from Panjab University, Chandigarh and a retired Principal from Rajpura Senior Secondary School, Punjab. She had a charm to gain knowledge and her degree proves this as she completed her studies at that time when even people rarely used to complete Bachelor's.

Grandma's life was a beautiful tapestry woven with threads of love, sacrifice, and joy. She touched many lives and left an indelible mark on all who knew her.

As I navigate through life, I strive to honor her legacy by living with the same grace and compassion she exemplified. She left us all on 20 July, 2024 and still everyday a new call is received by us from her well-wishers who are deeply drenched with tears about her leaving us. To my dearest grandmother, thank you for the endless love you gave and the countless memories we shared.

I am honoured to be grandson of Shrimati Nand Rani. I will fulfil all your wishes which you used to say to me. Although you are gone and there is no point in saying that it was early or not, because I just have this feeling deep down in my heart that I never wanted to be separated

from you and live with you forever and always wanted your shadow physically over me by scolding me, teasing me, loving me and many more things.

I will miss our long talks, our innocent fights and in total I will miss you Badi amma. I am all puzzled up right now because I am not able to grasp that you are no longer with us. I am still not in a normal state to absorb this. That is why maybe I might be repeating some things over here.

Anyways, You may be gone, but your spirit remains a guiding light in my life. I miss you more than words can express, I know that you are watching over me and will always give me your blessings forever.

This was not the time Badi amma. I will miss you badi amma. I will love you forever badi amma.

With all my love, Aryan

Simple ways to relieve stress and anxiety

Stress has become a common element of our every day. The world today is fast and keeping up with it is exhausting. So, every once in a while, taking that needed break and switching the buttons off helps to refresh and rejuvenate yourself.

1. Breathe
If you are looking for instant stress relief, take a step away from whatever you are doing, and give yourself a moment or two of deep breathing. Stress hormones affect the respiratory and cardiovascular systems. During the stress response, the body is conditioned to breathe faster to quickly distribute oxygen-rich blood to your body. Pre-existing conditions such as asthma or anxiety can make it worse. In those couple minutes of deep breathing, try to shift your focus from all stressors to breathing. A good rule of thumb is to breathe in for a count of four, hold for 1 or 2 and then release for 8.

2. Chew Some Gum
Another way to instantly feel less stressed. A 2008 study out of Swinburne University found that people who chew gum while multitasking under stress had lower cortisol levels, reduced levels of stress and anxiety, and increased levels of alertness and performance. Another 2009 study at NICM Collaborative Centre for the Study of Natural Medicines and Neurocognition, Australia, found that chewing gum can

improve a negative mood, and increase levels of peace and calm. Chewing gum causes brain waves similar to those of relaxed people. Chewing gum promotes blood flow to your brain as well.

3. Organise
If your stress incoming from a feeling of overwhelm, pause for a second to make for yourself a sustainable plan of action to follow. Relieve yourself for the stress that comes from not

knowing how to go about something or not being able to find what you need when you need it. It is always good to start a long day with timed-to-do lists and even better to ensure that you work in a clean environment, on a desk, for example, where everything is in place, your food would be ready when it is time to eat, etc.

4. Exercise
It may not be what you wanted to hear, but regular exercise (defined as at least 30 minutes of semi-rigorous movement 5 times a week) is directly linked to better moods and coping abilities. Exercise also regulates the hormones of the body, while it reduces levels of the body's stress hormones.

AAP promises transformation in Haryana with Arvind Kejriwal's five guarantees: Anmol Gagan

KULBHUSHAN SHARMA
GUHLA CHEEKA, JULY 30

Anmol Gagan Maan, Punjab's Minister of Tourism, Labor, and Industry, emphasized that Arvind Kejriwal, a son of Haryana, has reached the position of Chief Minister of the national capital through his honesty, a matter of pride for Haryanvis. Speaking at a rally organized by the Aam Aadmi Party (AAP) in Cheeka Anaj Mandi, Maan criticized the BJP for targeting Kejriwal and his ministers with false cases, claiming this was an attack on the honest and hardworking people of Haryana.

The rally, titled "Badhlaav Rally," was presided over by AAP's Haryana President Sushil Gupta, with District Secretary Kulbhushan Sharma managing the stage. Senior Vice President Anurag Dhandha, former ministers Balbir Saini and Narendra Sharma Poonidri were also present.

Minister Anmol Gagan Maan praised the education and healthcare initiatives started by Kejriwal in Delhi, which have gained recognition both domestically and internationally. She expressed AAP's vision of replicating such schools and hospitals in Haryana to provide affordable healthcare and quality education. She highlighted that Punjab's Chief Minister Bhagwant Mann has provided 50,000 jobs to youth in his two-and-a-half-year tenure, transforming the state's condition.

Maan called on the people of Haryana to avenge the injustices done to their son by voting for Kejriwal and elevating him to the

Prime Minister's position. Addressing the rally, Sushil Gupta accused the BJP government of being embroiled in numerous scandals, including pension, liquor, and grain scams. He lamented the daily atrocities against women and the rampant violence against traders in the state, which the government has failed to address. Gupta noted that farmers, traders, employees, and laborers are protesting against the BJP's misrule.

Anurag Dhandha, in his address, criticized previous governments for failing to provide basic amenities to the people over the past five decades.

He announced that AAP would contest the upcoming Assembly elections with Kejriwal's five guarantees: free healthcare, world-class schools, free electricity and water, and 100% employment for the youth. Dhandha accused the BJP of playing with the future of the youth, asserting that while other political leaders have succumbed to BJP's pressure, Kejriwal continues to stand firm against it.

BJP leader tours villages under public relations programme

PREETI SAINI SADHAURA: State Media Incharge of Bharatiya Janata Party Scheduled Caste Front Sanjeev Ghaaru visited dozens of villages including Pamnuwala, Ratauli, Kandaivala, Bijoli, Buddi, Milk Khas, Ratauli, Kail, Batli, Kotla under his whirlwind public relations campaign. Addressing the gathering in a village during the tour, Ghaaru said that Bhupinder Singh Hooda was failing to put a full stop to the cases of Scheduled Caste (Dalit) oppression because he and his Congress party have an anti-Scheduled Caste (Dalit) mentality due to which the Scheduled Castes have lived in an atmosphere of fear during the Congress rule.

Whereas today in the unique government of Bharatiya Janata Party, the Scheduled Castes and Backward Classes have joined the mainstream of society due to the welfare policies of BJP. Ghaaru visited dozens of villages in the Ghad region and exposed the welfare policies related to the Scheduled Castes and Backward Classes issued by the Bharatiya Janata Party government led by Nayab Saini. Targeting the Congress, he said that the Congress has always used the Scheduled Castes and the Muslim community only as vote banks and in return has harassed them. The BJP government has done the work of giving the 100-yard plots for the Scheduled Castes a real shape. Not only did it give registrations of the plots to this class, but also gave possession of the plots. The anti-Scheduled Caste mentality of the Congress is a separate journey for Kumari Shailaja because the father-son duo do not want to take a Scheduled Caste daughter with them and due to this harassment, Selja seems to be isolated.

Sumita Singh said that in the 10 years of BJP tenure in Haryana, the debt has increased 5 times, inflation has increased 4 times, unemployment has increased 3 times and crime and corruption has increased twice as compared to the Congress. In 10 years, every person will feel cheated. On this occasion, she said that in 2014, this state was number one in per capita income, per capita investment, law and order, job creation, sportspersons but today it is number one in unemployment, crime, inflation, drug addiction and the plight of sportspersons. This government knows how to swindle work and divert people's attention, not to work. The government has entangled people in the hassles of Parivar Pehchan Patra, Property ID, Meri Fasal Mera Bureau.

This government has only one agenda. The work is to cut the ration of the poor, cut the pension of the elderly.
