Hry CM pays tribute to victims at Partition Horrors Remembrance Day

CHANDIGARH: Haryana Chief Minister, Sh. Nayab Singh Saini said that the suffering endured by those who experienced the horrors of the country's partition can never be forgotten. Considering their pains, Prime Minister, Sh. Narendra Modi, on August 15, 2021, had announced from the Red Fort that August 14 would be observed as Partition Horrors Remembrance Day to honor those who sacrificed during the partition. In line with this, today the Haryana government has begun observing this day as a state-level event under the 'Saint Mahapurush Samman Evam Vichar Prachar Prasar Yojana from Kurukshetra', said Sh. Nayab Singh Saini.

Army captain martyred in Doda encounter on eve of I-Day

AGENCY
JAMMU, AUG 14

An Army captain was killed and four terrorists believed to be gunned down in an ongoing operation in the higher reaches of Jammu region's Doda district on Wednesday, officials said.

A civilian was also injured in the encounter that broke out a day ahead of Independence Day and is the latest in a series of incidents in Jammu region that has witnessed a spike in violence.

According to Defence officials, "A Captain of the Indian Army from the 48 Rashtriya Rifles was killed in action during the ongoing Op Assar in Doda district". The officer was killed while leading a search party during the operation.

The operation that began on Tuesday in the Assar area is still in progress. The search operation was launched by the Indian Army and the Jammu and Kashmir police after the encounter started.

White Knight Corps said earlier in the day, "Search for the terrorists continues amidst a heavy firefight. One officer has been injured while leading the search party. War-like stores have been recovered as operations

Earlier today, Defence Minister Rajnath Singh on Wednesday convened an important meeting on the "rising" terror-related incidents in the Union Territory of Jammu and Kashmir. As per officials, Defence Secretary Giridhar Aramane, National Security Advisor, Ajit Doval, Army Chief General Upendra Dwivedi, Director General of Military Operations-Lieutenant General Pratik Sharma and heads of the security-related agencies were present in the meeting. The meeting is being held at South Block. The development comes a day ahead of Independence Day on August 15. Mean-

Security beefed up across country ahead of I- Day celebrations

NEW DELHI: Ahead of Independence Day celebrations, security has been beefed up across the country. As Prime Minister Narendra Modi will hoist the Tricolour at the Red Fort and address the nation on Thursday, Delhi police have deployed personnel around the Red Fort, and bomb disposal staff have been carrying out checking of the nearby vicinity of Red Fort with dogs. The Delhi Police have been taking advantage of artificial intelligence. Many CCTV cameras have also been installed. Special cameras were installed on the Door Frame Metal Detector (DFMD), which will be connected to the facial recognition system to keep a check on invitees coming to Red Fort on the occasion of Independence Day. Delhi Police, along with Border Security Force personnel, have been patrolling the Yamuna.

while, security forces across Jammu and Kashmir have been placed on high alert ahead of Independence Day to ensure public safety. Earlier on August 10, at least two soldiers and a civilian were

killed during a firefight between the terrorists and the security forces in Anantnag. The encounter broke out during a joint operation launched by the Indian Army, Jammu and Kashmir Police.

PM Modi to lead 78th I- Day celebrations from Red Fort; About 6,000 Special guests invited

AGENCY
NEW DELHI, AUG 14

Prime Minister Narendra Modi will lead the Nation in celebrating the 78th Independence Day from the historic Red Fort in Delhi on August 15. He will unfurl the National Flag and deliver the customary address to the nation from the ramparts of the iconic monument.

The theme of this year's Independence Day is 'Viksit Bharat @ 2047'. The celebrations will serve as a platform to provide a renewed push to the Government's efforts towards transforming the country into a developed nation by 2047, an official statement released on Wednesday said.

With the aim to increase Jan Bhagidari in this festival of national fervour, around 6,000 Special Guests have been

invited to witness the celebrations at Red Fort this year. These people from different walks of life categorised as youth, tribal communities, farmers, women and other special guests, have excelled in various fields with the help of various government schemes/initiatives. Students benefiting from the Atal Innovation Mission & PM SHRI (Prime Minis-

ter's Schools for Rising India) scheme, and volunteers of Mera Yuva Bharat (MY Bharat) & National Service Scheme under 'Meri Maati Mera Desh' will attend the event. The guests also include Tribal artisans/Van Dhan Vikas Members and Tribal Entrepreneurs funded by National Scheduled Tribes Finance & Development Corporation.

SC denies interim bail to Arvind Kejriwal in excise case

AGENCY
NEW DELHI, AUG 14

The Supreme Court on Wednesday refused to grant interim bail to Delhi Chief Minister Arvind Kejriwal in a corruption case filed by the Central Bureau of Investigation (CBI) in the alleged excise policy scam and sought a response from the probe agency on his plea challenging his arrest. As the hearing commenced before a bench of Jus-

tices Surya Kant and Ujjal Bhuyan, senior advocate Abhishek Singhvi, appearing for Kejriwal, submitted that he had got interim bail on three occasions in the money laundering case, also linked to the alleged scam, despite the stringent conditions laid down for grant of bail in cases under the Prevention of Money Laundering Act (PMLA).

Singhvi cited the top court's interim bail orders passed on May 10 and July 12,

as well as the regular bail granted by the trial court on June 20. He informed the bench that the June 20 order of the trial court was stayed by the Delhi High Court on an "oral mention". Singhvi argued when Kejriwal could secure bail despite the stringent conditions laid down under the PMLA, he cannot be denied regular bail in the CBI case since the Prevention of Corruption Act (PCA) does not have similar rigorous provisions.

Sumita Singh campaigns under Haryana Mange Hisaab

SHIV KUMAR SHARMA
KARNAL, AUGUST 14

Under the 'Haryana Maange Hisaab' campaign, the Congress Party cornered the BJP on its misgovernance and failures of 10 years. When Sumita Singh reached Sector 8 for public relations with a 'charge sheet' of questions related to 15 issues, the residents of Karnal welcomed her. On this occasion, she listened to the problems of Sector 8 residents and collected suggestions. As the assembly elections are coming near, the Congress Party has intensified its public relations campaign. Under her public relations campaign, Sumita Singh, the former MLA, exposed the anti-people policies of the BJP government in Sector 8 under the 'Haryana Mange Hisaab' campaign and made the youth aware of the Congress' manifesto. She said that treatment up to Rs 25 lakh will be provided free of cost. The Congress government itself will take the responsibility of treating needy patients. Elderly and widows will be given pension of 6000. Employees will be included in the old pension scheme. The price of gas cylinder will be fixed at less than 500.

Poor families will be given free plot of 100 yards and a 2-room house at the cost of Rs 3.5 lakh and youth will be given vacant land worth Rs 2 lakh. Will make permanent recruitment on government posts. Sumita Singh said that in 10 years BJP has given nothing to the public except fear, corruption, crime, drug addiction, unemployment and inflation, so in the coming assembly elections, BJP has to take revenge for the martyrdom of 750 farmers, atrocities on wrestler daughters, lathi charge on every section including farmers, employees, sarpanch, sanitation staff, recruitment scams with youths, crimes against women and Dalits, ransom threats to businessmen and the impact of inflation and recession on poor labourers. The government has trapped people in the hassle of family identity card, property ID, meri fasal meri bureau. It has also become clear from the result of Lok Sabha that BJP's ouster from the state is certain and Congress government is going to be formed. On this occasion, she said that support the Congress and all your problems will be solved when the Congress government comes. Present on the occasion were Rajbir Singh Sandhu, Advocate Surjeet Singh, Ranbir Nain, Des Raj Sharma, Dharm Singh, Raj Kumar Sharma, Sanjeev Thakur, Harveer Singh Dalal, Advocate Amardeep Singh, Anita Sandhu, Om Prakash Sharma, Karan Singh Dalal, Jai Bhagwan Sharma, Vinod Kumar Kamboj, Rajpal Sandhu, Goldie Wadhwa etc. were present.

National flag to be hoisted today at Kanya Gurukul on I-Day

SHIV KUMAR SHARMA
NILOKHERI: On the auspicious occasion of Independence Day, the national flag will be hoisted tomorrow at 9.00 am at Kanya Gurukul Anjanathli, which is counted among the prestigious and leading educational institutions of the Road community in Haryana. On this occasion, cultural programs will also be presented by the students of Gurukul. Giving this information, the Managing Committee of Kanya Gurukul said that the chief guest of the function will be social worker and educationist Professor Rajesh Vaidya, former member of Haryana Public Service Commission. On this occasion, Professor Rajesh Vaidya will hoist the flag. He said that prominent people of the city and surrounding areas will also be present in the function.

Meeting held by Bahawalpuri Sabha in Goverdhan Gaushala

RADHEY SHYAM SHARMA
MORINDA: A meeting was organised by Bahawalpuri Sabha (Regd.) Morinda in Goverdhan Gaushala. More than 45 members attended the meeting. Giving information, press secretary Rajendra Sachdeva said that Rajendra Kumar Popli was unanimously appointed as the head in the meeting. Kuldeep Kumar was appointed as the Vice President, Manohar Lal Secretary, Ram Chawla as cashier. Jindal Stainless launches a song on Independence Day

HISAR: Jindal Stainless, India's largest stainless steel manufacturer, launched a song on the occasion of Independence Day to celebrate the progressive and collaborative spirit of India. The song is an original composition sung by students from Vidya Devi Jindal School and O P Jindal Modern School at Hisar, Haryana. The song captures the pride and joy of being an Indian, while also envisioning a country built on the stainless values of unity, innovation, and resilience. Speaking about the video, Head, Corporate Communications, Ms Sonal Singh, said, "This video pays homage to India's diversity and its relentless drive for holistic growth, premised on building a corrosion-free nation. The song conveys the values of determination, perseverance, and progress, which are central to both Jindal Stainless and India's growth stories. This video is a heartfelt tribute to the hard work, passion, and innovative spirit of all our fellow Indians, who are the true pillars of this nation's incredible success. At Jindal Stainless, we are proud to shape, and be shaped by, this great nation's march towards progress." Jindal Stainless was founded in 1970 on the ethos of creating self-reliance for India's stainless steel consumption by substituting imports. In the early 90s, when the demand for stainless steel in India was only around 0.25 million tonnes, nearly 85% of this consumption was in the kitchenware sector. Recognising the potential of stainless steel, Jindal Stainless has played an instrumental role in diversifying the metal's applications and breaking into newer, hitherto uncharted sectors. From then to now, with India's consumption roaring above 4 million tonnes, with only 40% going to the kitchenware sector, Jindal Stainless has been a flagbearer in this journey for India.

Naveen Jindal Foundation's Mobile Medical Unit, Sankalp camp help people

VIJAY KAUSHIK BABAIN, AUG 14

Kurukshetra MP Naveen Jindal is providing health facilities to the people of Kurukshetra parliamentary constituency through Naveen Jindal Foundation and also providing various services to the people through Naveen Sankalp Camps which are benefiting the people a lot. As per the instructions of MP Naveen Jindal, 101 patients were provided consultation and free medicines in the Mobile Medical Unit in Babain and Ramsharan Majra villages of Ladwa constituency on Wednesday. Along with this, various tests of 6 people were also conducted. Apart from these health facilities, Naveen Sankalp Camps were also organised in these two villages, in which many

works related to people's family identity card, pension and Aadhaar card were also completed. MP Naveen Jindal's office in-charge Dharamvir Singh said that on the initiative of MP Naveen Jindal, to make health services accessible to every person, mobile medical units are being run which are going to villages and providing health facilities to the people. He said that this

process of solving various types of problems of the people in the villages through Naveen Sankalp camps will continue in this way. On this occasion, Omprakash Saini, Sarpanch representative of Ramsaran Majra, expressed his gratitude to MP Naveen Jindal and said that by organising such camps, many needy people are getting benefits at their doorsteps, which is a very pious act.

Doctors express anger over Kolkata incident by taking out candle march

RAHUL KOHLI JAGADHRI, AUG 14

On the call of All India Medical Association, resident doctors in Yamunanagar took to the streets to protest against the Kolkata incident and took out a peace march late in the evening. With candles in their hands, doctors demanded justice for the victim's family. This peace march of doctors started from Nehru Park and ended at the park after passing through Model Town, Pyara Chowk and Govind Puri Road. Dr. Rajan Sharma, former National President of Indian Medical Association, who participated in the peace march, said that no matter how much this incident is condemned, it is less. He said that the victim's family should get justice as soon as possible. There is deep anger

among doctors of the entire country due to this incident. Dr. DK Soni, Dr. Meenakshi, Dr. Yogesh and Dr. Varun said that the security of doctors should be strong.

Sometimes they have to work in very adverse conditions. If doctors also become unsafe, then who will remain safe in society. All limits of brutality have been crossed in Kolkata. Doctors from all over the country are angry at the brutality done to the female

doctor in the medical college. This anger is also visible in Yamunanagar. Wherever the second candle march and peace march were taken out, the people of the city participated in it. Everyone unanimously demanded justice for the victim. Dr. Rajan Sharma, Dr. Soni, Dr. Ravi, Dr. I K Pandit, Dr. Varun, Dr. Sunila Soni and Deepak, the teachers of Dental College and JP's College of Nursing participated.

Tricolor rally taken out by NCC unit of DAV College

PREETI SAINI SADHAURA: On Wednesday, NCC unit of DAV College Sadhaura organised a tricolor rally under Har Ghar Tiranga Abhiyan. Principal Tejveer Singh ji started the rally by showing green flag from the college. This rally was taken out under the direction of NCC in-charge Dr. Anupam Khanna. This rally was taken out from PWD Rest House to the main market. The residents of the area also supported the slogans of the cadets "Tricolor is the pride of all of us, Tricolor is the identity of India"; "Vijayi Vishwa Tiranga Pyara, Jhanda Uncha Rahe Hamara"; "Bharat Mata Ki Jai"; "Vande Mataram". Principal Tejveer Singh said that while on one hand the feeling of unity in the society is increasing due to this campaign, on the other hand, the spirit of patriotism is also being created in the NCC cadets. On this occasion, a total of 32 cadets participated in the rally. Among the teachers, Ritu Chahal and Neha were present in this rally.

NHM employees take out protest march from LNJP Hospital to Pipli

DALBIR MALIK KURUKSHETRA, AUG 14

NHM employees were continuously on strike to get their demands fulfilled. The strike of NHM employees entered the 20th day on Wednesday. Along with the strike, the NHM employees were also on a four-day hunger strike in support of their demands. The government delay in the matter the NHM employees have expressed their anger against the government and even begged from passersby. The only motive behind the NHM employees begging was that the government should regularize them. The NHM employees say that the government has made them beggars instead of employees.

The surprising thing was that health services have a very

important place in the society due to which the public has to face a lot of problems but the government was neither caring about the problems of the public nor paying any attention to the demands of the NHM employees. The sympathy of the NHM employees was completely with the public. NHM employees said that the government itself was bent on harassing the public and the employees and was procrastinating on the demands

of the NHM employees. Employee leaders said that these were the same employees who risked their lives in the hour of crisis during the Corona period. The employees who worked to save people's lives by putting their jobs at risk were today sitting in the scorching heat and sun and were peacefully pleading with the government to regularize their jobs but the government was not paying heed to them which was unfortunate.

We will formation of HSGPC: Jhinda

SHIV KUMAR SHARMA KARNAL, AUG 14

People those wanted to form a separate committee for the administration of Gurudwaras in Haryana gathered from all over the state at Dera Kar Seva in Karnal on Wednesday. The meeting was chaired by former head of HSGPC Jagdish Singh Jhanda. In this meeting three proposals were passed. The Sangat outright rejected the new committee formed by the government. On this occasion, it was said that the government has its eyes on the income of the Gurudwaras. Giving information about the meeting, former head of HSGPC Jagdish Singh Jhinda said that the term of the ad-hoc committee formed by the government on the orders of the Supreme Court to conduct the elections of the committee had expired on May 21. Even after that,

the general meeting of the committee was held and it was illegal as its term was expired on May 21. He said that the way the new committee has been announced after three months was illegal. He will challenge it in the court. He said that three proposals were passed in today's meeting in which it was said that SSGPC should be dissolved and a receiver should be appointed. In the second proposal, the government should conduct elections for the new

committee as soon as possible. Apart from this, the government should prepare a new voter list for which a new committee should be constituted. For this, old retired patwaris were put on duty. He said that in the next proposal it was said that if the government did not listen to them, then a Sikh conference would be held for formation of committee. This committee would evict the government officials and take over the management of the gurdwaras.

Star cast of film 'Bibi Rajni' attend 'Teej' event organised by SSD College Barnala memorable

KULDEEP SOOD BARNALA, AUG 14

'Teeyan Teej Diya' function was organised with great pomp and show at local SSD College today. On this occasion, the entire star cast of upcoming Punjabi film 'Bibi Rajni' arrived and made this event memorable. SD Sabha (Regd.) Barnala Chairman Shri Shivdarshan Kumar Sharma described Teej festival as a festival of women in Punjabi culture and said that during Teej girls express their feelings through dialects. SD Sabha General Secretary Shri Shiv Singla congratulated the college students and college staff for this event and 'welcomed' the

entire star cast of Punjabi film 'Bibi Rajni'. He said that there was a time when Punjabi films were made based on Gandas or Jatts only, but now Punjabi films are being made on very serious subjects, this is the golden age of Punjabi cinema. He said that we should try to bring forward Punjabi language, Punjabi culture, Punjabi films and

Punjabi artists. He announced that SSD College management will show the film Bibi Rajni to all the students of the college. On this occasion, the heroine of the film 'Bibi Rajni' Rupri Gill and actor Mr. Jarnail Singh told about this film that how a daughter obeyed her father's orders and accepted her loyalty and the grace of Akal Purakh.

40 girls get certicates from Sarbat da Bhala Charitable Trust

KULDEEP SOOD BARNALA: In the free sewing center in village Naivala run by Sarbat Da Bhala Trust, 40 girls who passed the papers after successfully completing 6 months of training were issued certificates recognized by ISO. The district president of the organization Gurjinder Singh Sidhu said that this certificate will help the girls to stand on their own feet. By opening such a center in each village of Punjab, sewing and embroidery should be taught to needy children so that they can stand on their own feet. Sidhu said that we want to open 25-30 such centers in different villages in Barnala district. Village girls who are experts in sewing and embroidery can open a free sewing center by contacting me.

CARVING A PUNJAB OF OUR DREAMS

India is today celebrating its 78th Independence Day and it is a matter of immense pride and honour for all of us that during these years, our country has emerged as the world's largest democracy with an undeniable and firm commitment to peace and progress.

On this auspicious occasion, I extend my warm felicitations to our countrymen on behalf of all Punjabis, living across the state and abroad, and wish them a prosperous life with good health and a bright future. I also take this opportunity to bow my head in reverence to the martyrs and the patriots of India's freedom struggle, known and unknown, who displayed extraordinary heroism and valor thereby making supreme sacrifices for attaining freedom for the country.

India's road to independence was long and arduous, but equally difficult is the path to maintain this freedom as we are combating numerous challenges like communalism, terrorism, illiteracy, poverty, unemployment and others. But it is to the credit of India and its people that we have overcome these hurdles to emerge as the largest functioning democracy in the world. Let us take this opportunity to rededicate ourselves to realize the great vision of those who translated the dream of an independent India into a reality.

Punjab has special reasons to remember this day with reverence because no one can deny the unparalleled contributions of Punjab in bringing about the historic moment of Independence of this great nation as 80% of the great warriors, who made supreme sacrifices for attaining freedom, belonged to Punjab. Despite the fact Punjabis merely constituted two-and-a-half percent of the country's population. Here, I proudly recall the unique and unprecedented role of Punjabis in the national freedom movement and salute them for their selfless sacrifices at the altar of motherland.

In fact, they were the brave Punjabis who pioneered various movements for ending centuries-old British imperialism. Bhai Maharaj Singh- a Punjabi warrior was the first to lay down his life for this noble cause. The great martyrs of Punjab Shaheed Bhagat Singh, Shaheed Rajguru, Shaheed Sukhdev, Lala Lajpat Rai, Shaheed Udham Singh, Shaheed Kartar Singh Sarabha, Diwan Singh Kalepani, Baba Ram Singh, Sohan Singh Bhakna and many more shed every drop of their blood while pursuing the ultimate goal of Independence. The memory of the great warriors of Kuka Movement, Gaddar Party, Babbar Akali Movement, Kama Gata Maru Episode, Agrarian Movement, Jallianwala Bagh Massacre, liberation of Gurdwaras Movement and Jaito Morcha reminds us on this auspicious day of the heroic tale of Punjab's immense contribution towards India's freedom struggle.

Not only this, Punjab being the border State also suffered the brunt of partition as even when the rest of the country was celebrating Independence, Punjab was going through the horrors of a violent partition in which lakhs of Punjabis lost their lives, were rendered homeless, and many more lost their lands and properties. It is with a sense of pride that I wish to appreciate the outstanding contribution of my fellow Punjabis in zealously guarding and preserving India's hard-earned sovereignty and in ushering in an era of overall development. The brave people of Punjab have relentlessly come forward with great courage to protect the integrity and honour of the nation, whenever India has been threatened.

It is also a well known fact that the hard working and resilient farmers of the state have played a crucial role in making the country self reliant in food production. But even 77 years after Independence the dreams of our freedom fighters and great national heroes like Shaheed-e-Azam Bhagat Singh and Baba Sahib Dr BR

Ambedkar remain unfulfilled. People had high hopes from the many governments that assumed power in the state through the decades after independence, but most served to dash these hopes because of corruption, poverty, unemployment and many other ills that are still deeply embedded in the state.

So from day one from assuming the charge of office, the Aam Aadmi Party Government has been making strenuous efforts to fulfil the aspirations of our great freedom fighters. Due to the concerted efforts of our government Punjab has today emerged as a front runner state in the country and an unprecedented era of progress, prosperity and peace is being witnessed in the state. A new revolution has been embarked in the state with the sole aim of providing clean, efficient, responsive and transparent governance to the people and we are making every effort to restore the glory of Punjab.

My government has taken several pro-people and development oriented initiatives so that the dreams of the founding fathers of this country are realised and people can enjoy the fruits of freedom.

AAMAADMI CLINICS

In order to impart quality healthcare services to people, the state government has set up 842 Aam Aadmi clinics across Punjab which have revolutionized the health care sector in the state. So far more than 2 crore people have taken the benefits of these clinics in the state and more than 95% of patients visiting these clinics daily recover from their ailments. Ever since inception these clinics have witnessed a huge footfall indicating that every third person of the state has taken benefit from these clinics.

H E A L T H INFRASTRUCTURE

The state government is leaving no stone unturned for upgrading Health infrastructure and most recently 58 new hi-tech ambulances were dedicated to the people of the state thereby ensuring that they are available to people in hour of distress. With this addition in the fleet of ambulances, a total number of 325 ambulances have been pressed into the service of people across the state to ensure that they get health services in time. These Ultra Modern Ambulances have been mandated to reach the needy patients within 15 minutes in Urban Areas and 20 minutes in Rural Areas and it is a matter of immense pride and satisfaction that so far 156 safe deliveries have taken place in these ambulances only.

Due to concerted efforts of the state government, the Punjab Institute of Liver and Biliary Sciences, has been set up at Mohali. This state of the art institute is the second in the country and the first in Punjab to have such a plethora of modern machines, surpassing even private hospitals. Apart from it the state government is establishing 45 maternity and child care centers in the state, with 37 already dedicated to the people.

FREE POWER

The state government had launched the guarantee to provide free power to the people in 2022 and since then 90% of the households in the state are getting free power and have got zero power bills. This has reduced a big burden on the pocket of the common man by saving a minimum Rs 35,000 annually for poor households. It is also a matter of immense pride and satisfaction that along with domestic consumers, the food growers of the country are also getting free and uninterrupted power in the state.

SIKHYA KRANTI

Punjab Government has started "Punjab Sikiya Kranti" to improve infrastructure in all Government schools along with which the state Government is committed to make 118 Government Senior Secondary Schools as Schools of Eminence, equipped with smart classrooms, fully equipped labs and playgrounds for scientific learning. Due to all out efforts of the

state government, the enrolment in government schools has been increased by around 17% in Pre-primary classes. To upscale the expertise of the teachers special program has been embarked upon which teachers and Principals are being sent abroad for training so that they are well versed with modern teaching practices to prepare the students for future competitions in the international arena.

CANAL WATER

At the time when I had assumed the charge of office only 21% canal water was being used in the state for irrigation purposes. However, it is a matter of great pride and satisfaction that today 72% of the canal water is being used for irrigation purposes. This has ensured availability of canal water to farmers at the tail ends, who were deprived of this for decades, on one hand and saving the precious

Bhagwant Singh Mann
Chief Minister, Punjab

ground water on the other.

MALWA CANAL

For the first time in the post-independence era my government has started the work for construction of Malwa canal in the state adding that it is on record that none of the previous governments of the state had paid heed towards this necessity of the state. Around 150 kilometre long this new canal will usher a new era of unprecedented progress and prosperity in the state specially in Malwa region. The state government will spend around Rs 2300 crore on this prestigious project that will cater to irrigational needs of nearly two lakh acres of fertile land of the state.

SARKAR TUHADE DWAR

In a major citizen centric initiative, the state Government has launched a new scheme namely Door-Step Delivery of Services under "Bhagwant Mann Sarkar Tuhade Dwar" to provide services to the citizens at their door-step on demand. Under the scheme, 43 citizen services have been identified which constitute more than 99% of the daily administrative works of people. Another scheme namely AAP ki Sarkar AAP Dr Dwar, under which camps are being held all over the State to provide services to the citizens in their village has been launched adding that lakhs of citizens visit the camps to take the benefit of the availability of services at their places of residence.

The state Government is committed to providing a boost to the investment and industrial infrastructure in the State. With its earnest efforts, my Government has roped in investment of more than 65,000 Crores with the proposed employment of about 3.50 lakh by leading companies like Tata Steel, Sanatan Textiles and others, who are making a beeline to invest in the state. The state Government has also introduced Green stamp paper in the registration of sale deeds to ensure faster and smooth issuance of regulatory clearances to industry projects.

JOBS AND EMPLOYMENT

During the last financial year, my Government has given job/self employment facilities to 1,11,810 candidates through 1,332 placement camps/job fairs/self-employment camps. Continuing the endeavour of providing government jobs on merit to deserving candidates,

my Government has ensured fairness in recruitment while also ensuring efficiency. Till now more than 44,000 jobs have been given so far to youth of the state which implies that on an average the state government has given 51 government jobs to the youth daily in the last 2.5 years of its tenure.

ZERO TOLERANCE AGAINST CORRUPTION

As vowed while assuming charge of office, the Aam Aadmi Party Government in the state has continued to drive to eradicate corruption at an increasing pace. The state government has introduced an anti corruption helpline number 9501200200 on which any person can lodge their complaint if anyone seeks bribe from them. In order to ensure transparent governance, my Government has adopted a Zero Tolerance Policy towards corruption and the State Vigilance Bureau, Punjab has registered trap cases. Gazetted Officers, Non-Gazetted Officers and private persons who were caught red handed while accepting illegal gratification.

SADAK SURAKHYA FORCE

The state Government has launched the first of its kind initiative in the country, a dedicated Sadak Surakhiya Force to ensure enhanced security and to save precious lives on the State and National Highways. Specially trained, freshly recruited 1597 personnel are acting as the backbone to this force, who have been provided with latest, fully equipped 144 vehicles and since its launch in February this year this force has saved 25% of lives in road accidents besides returning the valuables and money of people who get injured during road accidents. The force has been deployed all along 4200 km of the Highways, prone to traffic accidents adding that in addition to patrolling in the assigned areas, they act as a deterrent for traffic violations and more.

FARISHTAYE SCHEME

The state Government has notified the FARISHTAYE scheme, in order to save the life and limb of accident victims and encourage the general public for their hassle-free participation towards helping the accidental victims. The state Government will offer a financial reward of Rs. 2000 to commend their noble deeds. Apart from financial reward, a certificate will be issued to such persons and they have been provided immunity from legal complications and police inquiries.

LAW AND ORDER

Despite being a border state, Punjab has emerged as an Oasis of peace and progress in the country and Punjab Police has started various initiatives in the form of operation CASO in this regard. Launching of Anti Gangster Task Force (AGTF) and PGD Portal have also acted as a pivotal to check the crime in the state. AGTF has spearheaded dedicated operations against gangsters and criminals in the state and other parts of the country, leading to the arrest of several wanted gangsters and criminals and busting various gangster modules along with recovery of huge cache of arms and ammunitions.

In order to enhance the manpower in the Police department for enhancing its efficiency, the state government has already decided to recruit 1800 Constables and 300 Sub Inspectors every year in Punjab Police for the coming four years to overcome the scarcity of cops. For these 2100 posts every year around 2.50 lakh candidates are expected to apply for these posts so all the aspirants will get involved in academics as well as in improving their physique for clearing the tests. The state government has also decided to recruit 10,000 new cops in the Punjab Police for which notification has already been issued.

ELIMINATION OF CONTRACTUAL SYSTEM

It is a matter of immense pride

and satisfaction that by eliminating the word contractual prefixed before the posts of employees the state government has regularized services of 12710 teachers by overcoming all the legal and administrative hiccups. With the regularizing of services these teachers will get an annual increment of 5% in their salaries coupled with other benefits including holidays. This will ensure that these teachers become an active partner in socio-economic development of the state.

RS. 1 CRORE TO MARTYRS

Recognising the immense contribution of jawans of Armed forces, Paramilitary forces, Police and even Agniviris in safeguarding unity and integrity of the country, the state government gives financial assistance worth Rs 1 crore to the family in case the jawans attain martyrdom in line of duty. This financial assistance is given as a mark of respect for the supreme sacrifice made by the hero for the country. This humble initiative of the state government is in recognition of the immense contribution of this son of soil towards preserving the unity, integrity and sovereignty of the country.

DSR TECHNIQUE

In order to save the precious underground water in the state and to enhance the yield of farmers, the state government has encouraged the farmers to adopt Direct Seeding of Rice (DSR) technique. Punjab Government has been offering Rs. 1500 per acre as a financial assistance to motivate farmers to choose the DSR method over traditional paddy transplanting. This has yielded results as there has been a significant 44% increase in the area dedicated to DSR compared to last year and the acreage sown using the water-conserving DSR technique has risen to over 2.48 lakh acres from 1.72 lakh acres during the Kharif season of 2023.

PROCUREMENT OF CROPS

The state government has set a new benchmark in hassle free and smooth procurement and lifting of the farmer's produce as soon as it arrives in the mandis. The harvest of farmers is lifted from the grain markets in a smooth, timely and hassle free manner to ensure that food growers do not face any sort of problem while selling their produce. In another initiative instead of only eight hour power supply in the past the farmers are now being given regular and uninterrupted power supply during the entire day.

SPORTS POLICY

The state Government had notified the State's new Sports Policy in 2023 to restore Punjab's glory in the field of sports adding that under the new Sports Policy for the first time, a whopping amount has been given to sportspersons from the state, selected to represent the country in the Asian and Olympics Games. For the first time, players from Punjab bagged 20 medals in the Asian Games, which is the highest medal tally since Asian Games started in 1951 adding that they were given a cash reward of Rs. 29.25 crore without delay. The players from the state have now performed extremely well in the Paris Olympics which is the result of this new innovative Sports policy and it is a matter of immense pride that 10 players in the Bronze medal winner Indian Hockey squad were from Punjab.

With the active support and cooperation of our people the government is working hard to realise the dream of building 'Rangla Punjab'. I am hopeful that Punjab will scale new heights of development and prosperity in the state.

On this momentous occasion, let us rededicate ourselves to cement the bonds of love, peace and communal harmony enshrined by our great Gurus and saints, and to fulfil the vision of our freedom fighters and national heroes.

I call upon all Punjabis to play an active role in the journey to once again make Punjab prosperous, and a front runner state of the country.

Jai Hind!

GOVERNOR OF PUNJAB AND ADMINISTRATOR, UT CHANDIGARH, SHRI GULAB CHAND KATARIA ON THE OCCASION OF INDEPENDENCE DAY - 2024

On the historic completion of 77 years of our country's Independence, I extend my heartiest felicitations to the people of India, Particularly of Punjab and Chandigarh. Today, we pay our respectful reverence to all those self sacrificing, devoted leaders and patriots who struggled for freedom throughout their lives. Father of the Nation Mahatma Gandhi, Dr. Babasaheb Bhimrao Ambedkar, Netaji Subhash Chandra Bose, Sardar Vallabhbhai Patel, Bal Gangadhar Tilak and millions of Indians made significant contributions to India's independence. We also pay tribute to the brave soldiers of our armed forces who sacrificed their lives while protecting our country's integrity, sovereignty, and borders.

The unprecedented contribution of Punjab to the cause of Freedom of our country is unmatched anywhere in the history of the world. The great martyrs Shaheed Bhagat Singh, Lala Lajpat Rai, Shaheed Udham Singh, Kartar Singh Sarabha, Dewan Singh Kalepani and many more who shed every drop of their blood and had languished in Jails, have left a rich legacy for all of us which demands unbounded love and respect for our motherland besides firm commitment to preserve India's glory and independence.

It is a matter of great pride to recall the laudable contribution of the people of Punjab who have always displayed courage and commitment to the cause of freedom. Punjab has always been on the forefront and known as a Progressive State of India.

Hon'ble Prime Minister Shri Narendra Modi Ji introduced the concept of Amrit Kaal to the nation on India's 75th Independence Day. Amrit Kaal is the Prime Minister's vision 2047 for 'New India', a new dawn for the country that will bring the chance to fulfill its aspirations. This Amrit kaal is the time of duty for all of us. This Amrit Kaal is the period for all of us to do something for Maa Bharati.

During the war of independence, the generation that was born before 1947 got the opportunity to sacrifice their lives for the country. They did not leave any opportunity to die for the country. But we do not have the opportunity to die for the country. But there cannot be a greater opportunity than this for us to live for the country! We must live every moment for the country and with this resolution, we need to frame a new resolve for fulfilling the dreams of 140 crore countrymen in this 'Amrit Kaal'. The resolution of 140 crore countrymen needs to be accomplished and when the tricolor will be hoisted in 2047, then the world will be praising a developed India.

The year 2024 has witnessed a major event of our democratic history in the form of the 18th Lok Sabha Elections. It is a matter of great joy and satisfaction that the elections were conducted peacefully. Electing a popular democratic government has truly demonstrated to the world that India is a mature democracy,

country. We need to be aware from such acts of the enemy and fight collectively against such plans of the enemy.

The Government of India in the leadership of Hon'ble Prime Minister of India, Shri Narendra Modi and Punjab Government has started joint operations to counter anti national activities from across the border. The Central and State security forces have conducted joint operations in the six border districts of Punjab which have been very successful in countering supply of drugs through drones. About 3000 AI-enabled cameras are being installed to keep an eye on the anti national activities in the border area. The GOI is now equipping the whole border with the Anti Drone technology to counter the supply of drugs and weapons through drones in the border areas.

Now, Village Level Defence Committees have been formed in all the border districts which are collectively working in informing the Police and Defence forces about the anti social and anti national activities in the border districts.

The Punjab Governor has decided to give Rs. 36 lakh annual award money from his discretionary quota to the first three best Border Village Level Committees in six border districts based on their performance to eradicate drugs in their villages. The award will be given in all six border districts to three villages in each district which include Rs.3 lakh to the first, Rs.2 lakh to the 2nd and Rs.1 lakh to the 3rd Border Village Level Defence Committee.

Apart from this Punjab Raj Bhavan has started a tradition of honouring the meritorious students from Punjab and Chandigarh, with an aim of not only appreciating their hard work and achievements, but also to provide them some monetary help in further strengthening their resolve to fulfill their ambitions. 300 meritorious students of Government schools who topped in the State/U.T. in the 8th and 10th classes are honoured from Punjab and UT Chandigarh. The Prize money given is Rs. 10,000/- to each class 10th student and Rs. 5000/- to each class 8th student.

I call upon the people of Punjab, Elected Representatives of Public, Civil & Police officers, Ex-servicemen, youth doctors, academicians, Intellectuals, NGOs, Voluntary Organisations and Media to run campaigns against drugs, public drives for a green and clean environment, Green Energy, Solar Energy, tree plantation GOI Scheme 'Ek Ped Maa ke Naam', Swachh Bharat, Digital India, Make in India, Women Empowerment, Viksit Bharat etc.

Let us, on this occasion, renew our pledge to collectively work hard performing our duties with sincerity, commitment, devotion and dedication, keeping the interest of our country upper most.

I once again extend my heartfelt greetings and best wishes to the people of Punjab and Chandigarh for a glorious future.

*Thank you,
Jai Hind.*

Bold initiatives paving way for prosperous and self-reliant Himachal

On the auspicious occasion of India's 78th Independence Day, I extend my heartfelt greetings to the people of our nation. On this day in 1947, India achieved freedom through the relentless struggle and supreme sacrifices of our great freedom fighters.

As we commemorate this historic day, we honor the valiant soldiers and visionary nation-builders who laid the foundation for our independence. Their unwavering patriotism continues to inspire us to serve our motherland with dedication, ensuring that our Tricolour flies high and proud.

It fills me with immense pride to acknowledge the remarkable achievements of Himachal Pradesh, who have been honored with prestigious awards. The nation's first Param Vir Chakra was awarded to Major Somnath Sharma followed by Colonel D.S. Thapa, Captain Vikram Batra and Subedar Major Sanjay Kumar. The youth of the state are playing a crucial role in the country's armed forces. Our government is committed to providing every possible support to our war veterans, soldiers, ex-servicemen and their families.

The hardworking and honest people of Himachal Pradesh have turned challenges into opportunities, driving the state towards steady development. It is a matter of great pride that today, Himachal stands as a role model for other hilly states in the country.

On December 11, 2022, the Congress government, with the full support and blessings of the people, assumed the

responsibility of public service. Despite facing significant political, economic and natural disaster challenges, our government is resolutely working to make Himachal an economically self-reliant and prosperous state. I extend my deepest gratitude to the people of the state for their unwavering support. Despite numerous conspiracies aimed at destabilizing the democratically elected government, the people of state stood firm and supported the government.

Our vision is to see Himachal Pradesh become self-reliant and the most prosperous states in the country within the next decade. Despite the financial challenges, our government remains committed to development and public welfare. Our government has vigorously defended the interests of the state in the courts, achieving favourable decisions in cases such as Adani Power and Wildflower Hall hotel.

The wrong policies and decisions of the previous government put the state in a deep financial crisis. Their policy of providing equal subsidies to both the rich and the poor along-with other decisions imposed a burden of thousands of crores on the state. For instance, electricity and water bills in rural areas were reduced to zero. Our government fully supports providing these benefits to those in need, but we believe that well-off families should not be entitled to the same subsidies. This year alone, the reduction in electricity bills to zero will cost an additional burden of Rs. 780 crore, while the reduction in water bills will

add Rs. 300 crore to the state's financial burden.

The 15th Finance Commission did injustice to the state by reducing the grants. A grant of Rs. 10,249 crore provided in 2021-22 is projected to decrease to Rs. 3,257 crore by 2025-26. This implies a substantial reduction of approximately Rs. 7,000 crore in the funds available for the state's development in the coming years. Unfortunately, the previous government failed to address this issue with the Centre.

However, our government has strongly raised this concern prominently with the 16th Finance Commission.

It came to the notice of the government that Himcare Yojana was being misused and therefore we decided to exclude all 147 private hospitals from the empanelment list. I want to assure that this scheme has not been discontinued and its benefits will continue to be available in all government health institutions. Additionally, the facility of dialysis will continue in the private hospitals as well.

We observed that this year, 99 primary schools and 10 middle schools in the state had no enrolments. Therefore, these schools will be closed. We have taken a decision to merge primary schools within a two-kilometre radius and middle schools within a three-kilometre radius with the nearest school if they have five or fewer students. This consolidation will enhance the quality of education by increasing the number of students and teachers in composite schools.

In light of the irregularities, the Himachal Pradesh Staff Selection Commission has been

dissolved and established the Himachal Pradesh State Selection Commission to ensure complete transparency in recruitments. This commission has already announced final results for 1,841 posts out of a total of 2,983 pending results, and efforts are on to release the

Thakur Sukhvinder Singh Sukhu
Chief Minister, Himachal Pradesh

remaining results soon. We have also successfully resolved the long-pending JOA (IT) Post Code 817 case, stalled for four years and the results have now been declared following the court's decision.

Like previous year, this rainy season has brought immense hardship upon us. We have tragically lost many lives due to natural disasters and I offer my deepest condolences to the bereaved families. At this hour of grief, we stand united and committed to rehabilitate each and every affected family. Each affected family has been provided immediate relief of Rs. 50,000 and they are being given Rs. 10,000 in urban areas and Rs. 5,000 in rural areas for renting a home for a period of three months. The arrangements have also been made to supply free rations, gas, utensils, bedding and cylinders to the

affected.

We are resolute to protect and support the most vulnerable sections of society. The Mukhyamantri Sukh-Aashray Yojana has been started for orphans and destitute women. Under this Yojana 6,000 orphans have been adopted as the 'Children of the State'. The government is covering their education expenses and providing them with pocket money. Mukhyamantri Sukh-Aashray Kosh of Rs. 100 crore has also been established in the state.

We have fulfilled our guarantee by launching the Indira Gandhi Pyari Behna Sukh-Samman Nidhi Yojana to ensure that women can live with dignity. The eligible women are being provided a monthly honorarium of Rs. 1500. Additionally, around 2.37 lakh women who were previously beneficiaries of other pension schemes have also been brought under the ambit of this scheme and their monthly pension has been raised to Rs. 1,500.

As per our election guarantee, we have also restored the old pension scheme to the state government's employees to ensure that they do not face financial difficulties after retirement. This decision has benefited over 1.36 lakh women who were previously beneficiaries of other pension schemes have also been brought under the ambit of this scheme and their monthly pension has been raised to Rs. 1,500.

Fulfilling yet another election guarantee, we have launched Rs. 680 crore Rajiv Gandhi Start-up Yojana for the youth. Its first two phases provisions 50 percent subsidy

for buying e-taxi and installing solar plants on private land. In the third phase, farmers will be motivated to adopt natural farming. Moreover, Him Unnati Yojana has also been implemented to promote natural farming.

The state has taken significant strides in the education sector. We have fulfilled the guarantee of starting English medium from first class in government schools. Rajiv Gandhi Day-Boarding Schools equipped with state-of-the-art technology and equipment are being opened in every Assembly constituency. Dr. Y.S. Parmar Student Loan Scheme has been launched, offering loans up to Rs. 20 lakh at one percent interest rate to support students' education.

Healthcare service is being accorded a top priority. Keeping in view the rapid rise in cancer cases in the state, we have decided to provide free treatment to cancer patients. Approval has been accorded to fill up as many as 462 posts of Doctors and para-medical staff in Tanda Medical College and 489 posts in IGMC Shimla and Atal Institute of Medical Super Specialities, Chamyana (Shimla).

The horticulture sector plays a significant role in the state's economy and our government has implemented key measures to support orchardists. This apple season, the use of universal cartons has been made mandatory and Rs. 153 crore has been released under the Market Intervention Scheme (MIS) to settle all liabilities of apple growers, including Rs. 90 crore carried over from the previous

government. The minimum support price of Rs. 12 per kilogram for apples, mangoes and citrus fruits has also been maintained this year.

We have given added priority to increase agricultural production and farmer's income. It has been decided to buy naturally grown wheat at a minimum support price of Rs. 40 and maize at Rs. 30 per kg, which is highest in the country. As promised, we have also raised the minimum support price for cow milk from Rs. 32 to Rs. 45 per liter, and for buffalo milk from Rs. 47 to Rs. 55 per liter. Himachal Pradesh is the only state in the country to offer a minimum support price for milk.

We have also taken a revolutionary decision to transform Himachal Pradesh into a green energy state by March 31, 2026. We have established six green corridors across the state and in collaboration with the Oil India Company, a one-megawatt Green Hydrogen Gas plant is being set up in Nalagarh. A 32 MW solar power project has been made functional at Pekhubela in Una district, which is projected to generate annual revenue of Rs. 19.17 crore. The construction work is underway on a 10 MW Aghlaur solar power project and 5 MW solar power project at Bhanjal. These projects are expected to generate revenue of more than Rs. 11 crore for the state.

Being a tourism friendly state, we are committed to enhancing facilities and services for the visitors. Kangra is being developed as the tourism capital of the state. Additionally, the expansion of Kangra airport was underway

and 16 heliports were being built across the state whereas the construction of rope-ways is also being accelerated.

A sum of Rs. 517 crores has been allocated to the State Road Transport Corporation for the purchase of electric buses. Steps have also been taken to ensure a 24-hour drinking water supply for everyone in the state and to improve water quality.

Our government has created over 31,000 employment opportunities while the previous BJP government provided only 20,000 jobs during its entire tenure.

For the first time, more than 1,87,500 revenue cases were resolved through special Revenue Lok Adalats held at the tehsil and sub-tehsil levels in the state providing much needed relief from visiting government offices for revenue related matters. The H.P. Mines and Mineral Policy-2024 has been introduced to curb illegal mining and boost state revenue through scientific mining practices.

Despite inheriting a debt from the previous government of over Rs. 75,000 crore and liabilities of employees amounting to approximately Rs. 10,000 crore, we would not allow economic challenges to hinder our commitment to the state's development and public welfare. With the co-operation of the people of Himachal Pradesh, we would achieve our goal of making the state self-reliant and prosperous.

Once again, I congratulate everyone on Independence Day and wish all the people of the state a happy and healthy life.

Jai Hind.

Adviser to administrator administers mass
pledge under Nasha Mukht Bharat Abhiyaan

SHASHI PAL JAIN
CHANDIGARH, AUG 14

In a decisive move towards a drug-free society, the Department of Social Welfare, Chandigarh Administration, under the directives of the Ministry of Social Justice and Empowerment, successfully launched a mass pledge campaign as part of the ongoing Nasha Mukht Bharat Abhiyaan. Shri. Rajeev Verma, Adviser to the Administrator, led the campaign by administering the pledge at the UT Secretariat today.

The solemn event saw the participation of approximately 250 officials, all of whom demonstrated a strong collective commitment to the cause of eradicating substance abuse from society. In a show of unity, all departments of the Chandigarh Administration participated in the pledge, resonating a shared resolve throughout the city.

Over the last three days, the Administration has organized a series of programs across educational institutions, police stations, Anganwadi centers, and various other departments. These initiatives engaged citizens

through a variety of activities, including nukkad natak (street plays), rallies, and widespread awareness campaigns, successfully reaching nearly 1 lakh residents of Chandigarh. As the nation celebrates its 77th Independence

Day, it is noteworthy that the Nasha Mukht Bharat Abhiyaan has now entered its fourth year of unwavering efforts.

The impact of the campaign has been substantial, with this year's initiatives fur-

ther solidifying the commitment to creating a healthier and drug-free community. The Chandigarh Administration remains dedicated to continuing these efforts, building on the momentum generated by these significant events.

Tricolor is symbol of valor, pride, dignity, sacrifice,
every citizen should honor it": Kunwar Vicky

VERMA
GURDASPUR, AUG 14

"Let the winds be told, keep the light burning in the lamps. The tricolor, which we have protected with our blood, should always be kept in our hearts."

As soon as these lines come to mind, every citizen bows their head in reverence to the tricolor. Today, the entire nation is celebrating the 78th anniversary of independence as the Amrit Mahotsav of Independence. By displaying the tricolor in every home and every heart, people are remembering, in unison, the sacrifices of the freedom fighters and immortal heroes who sacrificed everything to free the country from the chains of slavery and laid the foundation of an independent India, enhancing the glory of the tricolor. These were the thoughts

expressed by Kunwar Ravinder Singh Vicky, General Secretary of the Shaheed Sainik Parivar Suraksha Parishad, while saluting the tricolor hoisted on the roof of his house.

He said that the tricolor, the pride of the nation, symbolizes the valor, pride, dignity, sacrifice, and martyrdom of the freedom fighters.

Therefore, it is the duty of every citizen to honor the tricolor from the heart. He men-

tioned that today, across the nation, tricolor processions are being organized, and youth are holding bike rallies with the tricolor in hand. However, we must be particularly careful to ensure that during these activities, the national flag is not disrespected, does not fall to the ground, and is not trampled underfoot.

He said that the precious golden independence that the country gained after centuries of slavery has a long history of sacrifices behind it. Countless freedom fighters spent their youth in the dark cells of prisons, enduring the atrocities of the British government, and sacrificed their lives in the struggle for independence. They envisioned a free India and sent a message to the people that independence was not attained for free; it was paid for with a great price in the form of sacrifices.

No water supply in JTPL Kharar
for the last 5 days

SHASHI PAL JAIN
KHARAR, AUG 14

For the last five days, the residents of JTPL located on Landran Kharar Road have been crying for drinking water. The situation is that people have been buying tanks from private tankers repeatedly. The society was already in the headlines due to non-discharge of rain and sewage water and now the supply of drinking water has also stopped. Balraj Singh, president of the Resident Welfare Association, said that the men of the sewerage board are laying pipes on the road. Meanwhile, the water supply main line of the society broke during excavation five days ago.

After this, the contractor of the board repaired it several times, but when we release

the water, the pipe breaks again. Water supply is stopped due to lack of proper repair of pipe. He said that there are around 800 families living here and each house has taken a private water tank many times. But now paying money repeatedly is getting out of hand. The residents of the society are facing many problems due to water scarcity. A resident of the society and Punjab secretary of BJP's Yuva Morcha, Sambham Nayyar said that even the water ordered from private tankers is not getting clean. The contractor sent by the administration to repair the water pipe has also failed. He has left work.

He said that the SDO and JE of the Sewerage Board should get the work done under the guidance of the engineer himself. Sewerage

Board Kharar SDO Tarun Gupta reached the spot to take stock of the situation. On this occasion, he told the reporters that work is going on at Main Road Sewerage at JTPL.

During the work, a problem has arisen due to the main line of the society's water supply. It has also been repaired twice but the issue of fittings being old is not being resolved. Now for fitting new band and expert craftsman from Patiala has been called. He said that we will restore the normal supply of water soon. In this regard, the residents of the society under the leadership of the Resident Welfare Association (Registered) met the SDM of Kharar Mr. Gurmander Singh regarding their problem, who gave immediate instructions to solve this problem.

Victorious Tank from 1971 Indo-Pak War
installed at Babri Chowk, Gurdaspur

VERMA
GURDASPUR, AUG 14

On the eve of Independence Day, the district administration today installed the victorious tank of the Indian Army from the 1971 war as a 'symbol of victory' at the Babri Bypass in Gurdaspur. Deputy Commissioner Mr. Vishesh Sarangal and Chairman of the Punjab Health System Corporation Mr. Raman Behal inaugurated the memorial by cutting the ribbon. On this occasion, Additional Deputy Commissioner (General) Mr. Subhash Chander, SDM Gurdaspur Dr. Karamjit Singh, Assistant Commissioner (Civil) Mr. Ashwani Arora, PWD Executive Engineer Mr. S. Harjot Singh, Secretary of the District Heritage Society Prof. Raj Kumar Sharma, Mr. Sucha Singh Multani, and other officials were

also present. On the occasion of the tank installation, Deputy Commissioner Mr. Vishesh Sarangal stated that this historic T-55 tank was manufactured by Russia after World War II. This battle tank was inducted into India's armed forces in 1966. He said that this tank, capable of fighting day and night, played a crucial role in the battles of Nainokot, Basantar, and Garibpur during the 1971 Indo-Pak war, defeating

the Pakistani army. Due to its capabilities, the T-55 tank remained in service in the Indian Army until 2011. He mentioned that the Central Armed Forces Vehicle Depot, Pune, has presented this tank as a 'war trophy' to Gurdaspur with honor as a symbol of victory. Deputy Commissioner Mr. Vishesh Sarangal said that the memorial will be maintained by the District Heritage Society, Gurdaspur.

SUMER GARG
CHANDIGARH, AUG 14

Punjab agriculture and farmers welfare minister, Gurmeet Singh Khudian directed the officers concerned to identify and finalise the sites for construction of new grain markets (NGMs) in Jalalabad in district Fazilka and Patran in district Patiala. While chairing a meeting with the senior officials of the agriculture department and Punjab mandi board here at Punjab civil secretariat, Mr. Khudian accompanied by MLA Jalalabad, Mr. Jagdeep Kamboj Goldy and MLA Shutrana, Mr. Kulwant

Singh Bazigar reviewed the status of the upcoming grain markets. Deputy Commissioner, Patiala, Mr. Showkat Ahmad Parry and Deputy Commissioner, Fazilka, Dr. Senu Duggal joined through VC and apprised the Cabinet Minister on the progress of identifying sites. After detailed discussion, the agriculture minister directed Deputy Commissioners of Patiala and Fazilka to publish fresh advertisements within 15 days, inviting suitable sites for establishing new grain markets in Patran and Jalalabad, as earlier suggested sites were not found suitable by the site selection committee.

Editorial

Tenacious tentacles

The neoliberal regime had been politically championed by formations of the Centre, covering both the Centre-Right and the Centre-Left. Both Margaret Thatcher and Tony Blair were its enthusiastic proponents as were Manmohan Singh and P. Chidambaram in India who firmly belonged to the political Centre. The havoc caused by neoliberalism in the lives of the working people, through the immense growth in economic inequality, the stagnation or decline in the living conditions of large numbers, the growth in unemployment — all this even when the GDP growth rate appears to have been quite respectable — is giving rise to a veritable popular revolt, which is expressed inter alia by a rejection of the political Centre everywhere. This happened in India in 2014; the recent elections in Europe confirm this; and this is also one element underlying the very recent Bangladesh developments (though I shall not discuss Bangladesh here).

The party of Emmanuel Macron, who had called snap polls in France after getting a drubbing in the elections to the European Parliament, fared poorly again. In Britain, no doubt Keir Starmer's Labour Party, belonging to the Centre-Left, came to power with a landslide win but this was entirely because of the poor performance of the Tories; Labour's vote share increased only marginally, from 32.1% in 2019 to 33.8% in 2024. The fact that even when voters were moving massively away from the Tories they were not attracted by Labour is quite striking. The unpopularity of the Centre, blamed for the poor living conditions of the majority even as a small stratum gets hugely enriched under neoliberalism, is accompanied by a rise of both the Right and the Left, each promising an alternative trajectory.

This is evident in France where a hastily created New Popular Front (reminiscent of the Popular Front of the 1930s that had been formed to fight fascism) was elected as the largest bloc in Parliament. Marine Le Pen's National Rally, though it missed power and came a close third behind Macron's party, greatly increased its vote share and number of parliamentary seats. Likewise, the biggest gainer in the elections in the United Kingdom was the far-Right party, Reform UK, of Nigel Farage which got 14% of votes compared to the Tories' 24%, while Jeremy Corbyn winning the North Islington seat as an independent after being hounded out of the Labour Party for his left-wing views is suggestive of substantial support for the Left, although there was no Left political formation contesting the elections.

Tableau with Ram Mandir in New York

The 42nd Annual India Day Parade in New York City, scheduled for August 18, has become the target of alleged hate-filled bigotry for including a Ram Mandir miniature float, say the organisers of the parade.

In a statement, the Federation of Indian Associations NY-NJ-CT-NE said, "We find ourselves under heavy scrutiny for organizing a peaceful community celebration that our dedicated volunteers have worked tirelessly to prepare. This malicious and hate-filled scrutiny, spread on social media, has resulted in the loss of sponsorships—the lifeblood of our event—and in fear-mongering, causing law-abiding citizens to worry about potential unruly conduct due to the hateful messages circulating online."

"Our inclusion of a float that celebrates the inauguration of a sacred landmark, significant to hundreds of millions of Hindus has been insulted by derogatory name calling and the officials and the mainstream is radio silent. I respectfully ask, would such name-calling be tolerated if directed at any other community's place of worship? The answer is unequivocally no," the statement further said.

Earlier, organisations like the Indian American Muslim Council (IAMC), condemned the inclusion of the Ram Mandir float by describing it as a symbol of violence, historic injustice and religious intolerance. The IAMC has often been called out for pushing anti-India tirades.

In February 2022, the IAMC organised a seminar where former Vice President Hamid Ansari sparked controversy by raising concerns about human rights in India. At the time the Ministry of External Affairs (MEA) also criticised Ansari's comments and the Indian American Muslim Council.

"India is a robust and vibrant democracy. It does not require certification from others.

The claim that others need to protect our Constitution is presumptuous and preposterous. The track record of organisers is as well-known as the biases and political interests of participants," an MEA spokesperson had said.

Meanwhile, the organisers of the India Day parade say they also have to face up to petitions that have called for the stopping of the parade.

The Federation of Indian Associations says, "For over four decades, the parade has been a celebration of community, growing due to its display of inclusion and diversity, allowing participants to display their expressions respectfully and peacefully without diminishing or disrespecting others. Despite

our longstanding tradition of celebrating diversity, we are now the target of communal hate and bigotry.

Efforts are being made to dissuade the Mayor's and Governor's offices from attending or supporting the celebration, and harmful rhetoric is being spread on social media platforms."

"As we celebrate what we consider a vital aspect of our faith through the celebration of this landmark, we unequivocally reject violence and hate in any form, including any damage to any religion's place of worship. We stand for peaceful coexistence and encourage everyone to embrace this value," the statement by Ankur Vaidya, chairperson of FIA adds.

The organisers have called on the Indian community and others attending the parade to uphold the values of mutual respect.

"We invite you to join us in a celebration that fosters peaceful harmony and coexistence among diverse cultures, religions, genders, and more. Let us embody the values championed by Dr Martin Luther King Jr. and be recognized by the content of our character, not by the colour of our skin or the faith we follow," the statement from FIA said.

Meanwhile, preparations continue for what promises to be a gala parade in New York with the likes of Sonakshi Sinha, Pankaj Tripathi and BJP MP Manoj Tiwari amongst the guest line-up.

US: Vigil held in Atlanta to protest violence against Hindus in Bangladesh

Over 750 protesters gathered for a demonstration on Tuesday organised in Atlanta by the Hindu community and its supporters to highlight the atrocities being committed against minorities in Bangladesh after the fall of the Sheikh Hasina government there.

The evening vigil began with an address from Congressman Shawn Still, who expressed solidarity with the Hindu community and called on the US government and State Department to intervene in Bangladesh to ensure the safety and well-being of minority populations. He

emphasized the need for lawmakers to condemn the ongoing violence in Bangladesh, which includes killings, assaults, and the destruction of property.

Local Atlanta representative Sheikh Rahman also expressed support for the Hindu community and pledged to work towards addressing the violence through outreach to the Bangladeshi government. Demonstrators carried banners, placards, and both American and Indian flags while chanting slogans such as "Hindu lives matter" and "United Nations, wake up."

Super-imaging Nancy Grace Roman Telescope shipped to NASA for 2027 mission

BAE Systems has successfully shipped the Nancy Grace Roman Space Telescope's Wide Field Instrument (WFI) to NASA's Goddard Space Flight Center in Greenbelt, Maryland, and has completed integrating and testing it, the company announced in a press release.

"The [WFI] is an advanced visible-to-near-infrared imager with additional spectral capabilities that will capture highly detailed images over wide swaths of the sky, offering a field of view at least 100 times greater than its predecessor, the Hubble Space Telescope, with a similar resolution," the release said on Tuesday.

The WFI will dramatically improve the speed and scale of astronomical surveys to allow more advanced exploration of dark matter and dark energy, distant galaxies and exoplanets, and studying how the universe has formed over billions of years, BAE Systems said.

"The Wide Field Instrument is one of the most sophisticated instruments ever constructed, and once it's in orbit it will provide the scientific community with the

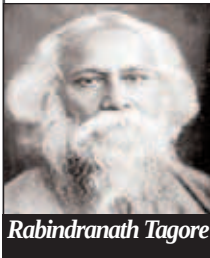

most comprehensive surveys of the sky we've ever captured," said Bonnie Patterson, BAE Systems Space & Mission Systems Senior Director of Civil Space Programs Bonnie Patterson said in the release.

The Goddard team will lead the effort to integrate the WFI into the instrument carrier and mate it to the spacecraft bus later this year. The Roman Space Telescope is scheduled to launch by May 2027, BAE Systems said.

Study finds how genetic diagnostics of ultra-rare diseases

Most rare diseases are caused by genetics. A molecular genetic diagnosis can be made more quickly and readily by identifying the underlying genetic change, for instance by exome sequencing (ES). The analysis of every region of our DNA that codes for a protein is known as ES.

A systematic evaluation of 1,577 patients' ES data was conducted as part of a multicenter research conducted in Germany. 499 people could now be diagnosed as a result, 34 of whom had previously undiagnosed genetic disorders.

Thus, the work significantly adds to the first descriptions of novel diseases. Furthermore, the first widespread application of artificial intelligence (AI)-based software to assist clinical diagnosis was made. The artificial intelligence system "GestaltMatcher" can help with the evaluation of face features in relation to the categorization of congenital genetic disorders. The prestigious journal Nature Genetics has re-

cently published the study's findings, which were conducted across 16 university locations. Ultra-rare diseases require both multidisciplinary clinical ex-

pertise and comprehensive genetic diagnostics for optimal care. The three-year TRANSLATE NAMSE innovation fund project began at the end of 2017

with the aim of improving the care of those affected by means of modern diagnostic concepts. Researchers from 16 university hospitals analyzed the ES data of 1,577 patients, including 1,309 children, who presented to rare disease centers as part of TRANSLATE NAMSE. The aim of the project was to find the cause of the disease in as many patients as possible using innovative examination methods. A genetic cause of the rare disease was identified in 499 patients, 425 of whom were children.

In total, the researchers found changes in 370 different genes. "We are particularly proud of the discovery of 34 new molecular diseases, which is a great example of knowledge-generating patient care at university hospitals," says Dr. Theresa Brunet, one of the lead authors from the Institute of Human Genetics at the Klinikum rechts der Isar of the Technical University of Munich.

"We will examine the affected patients for whom we have not yet been

able to find a diagnosis as part of the model project Genome Sequencing, or MVGenomSeq for short," says Dr. Tobias Haack, Deputy Director of the Institute of Medical Genetics and Applied Genomics at the University Hospital of Tübingen. The MVGenomSeq builds on the success of the TRANSLATE NAMSE project and enables the analysis of clinical genomes at university hospitals throughout Germany. Unsolved cases can also be investigated in follow-up studies using new examination methods, such as long-read sequencing, which allows much longer DNA fragments to be analyzed. "Long-read sequencing enables us to find genetic changes that are difficult to detect and we assume that we will be able to make further diagnoses using this method," says Dr. Nadja Ehmke, Head of Genome Diagnostics at Charité's Institute of Medical Genetics and Human Genetics and one of the last authors.

As part of the TRANSLATE NAMSE project, standardized proce-

dures for extended genetic diagnostics for suspected rare diseases were also established at the participating rare disease centers, based on interdisciplinary case conferences. These were incorporated into standard care after the project was completed. "The interdisciplinary case conferences play an important role for those affected. This enables a comprehensive clinical characterization, which is relevant for the phenotype-based evaluation of the genetic data. In addition, the detected variants can be discussed in an interdisciplinary context," says Dr. Magdalena Danyel, one of the first authors, who works as a specialist at the Institute of Medical Genetics and Human Genetics and a fellow of the Clinician Scientist Program of the Berlin Institute of Health (BIH) at Charité - Universitätsmedizin.

The researchers also investigated whether the supplementary use of machine learning and artificial intelligence (AI) tools improves diagnostic effectiveness and efficiency.

Central University of Punjab Organizes Two-Day Introduction/Orientation Programme as Part of Anti-Ragging Awareness Week Celebrations

Bathinda, August 14: The Central University of Punjab, Bathinda, under the patronage of the Honourable Vice-Chancellor Prof. R.P. Tiwari, organized Anti-Ragging Awareness Program on 12- 13 August, 2024. This initiative aimed to foster a culture of respect and safety on campus by educating seniors and freshers about the detrimental effects of ragging and the university's stringent policies against it. The event began with an introductory orientation session for the Senior batch on August 12. Prof. Sanjeev Thakur, Dean Students' Welfare, extended a warm welcome to the participants. He underscored the significance of the anti-ragging initiative and outlined the University's zero-tolerance policy towards ragging. Awareness Program comprised comprehensive sessions focusing on the scope of ragging, legal provisions and preventative measures related to ragging. Prof. V.K. Pathania in his awareness session provided a thorough briefing on the various forms of ragging, its psychological and legal

repercussions, and the mechanisms for reporting incidents. On August 13, the orientation continued for the fresher students of Sciences and Humanities & Social Sciences. Prof. Anand Thakur, Associate Dean Students' Welfare, in his awareness session for Social Sciences Students, emphasized the importance of responsible behavior both on campus and online. He cautioned against engaging in or supporting any form of ragging and stressed the importance of maintaining a positive and inclusive campus atmosphere. A highlight of the day was the introduction of the #YaARIYOUTHAgainstRagging campaign by DSW, aimed at encouraging students to take a stand against ragging. The session also featured a powerful short documentary on anti-ragging. The session witnessed a call for students to submit their online anti-ragging undertakings via the designated website. The anti-ragging cell encouraged the students to participate in various poster-making, slogan-writing

Etihad gets the party started in India by Flying its A380 to Mumbai

CHANDIGARH- Etihad Airways, the national airline of the UAE, is hailing its long-standing connection with India by deploying its iconic Airbus A380 to Mumbai for a special four-month period, marking 20 years

since its inaugural flight to the city. Starting from 1 September until 31 December 2024, the double-decker aircraft will operate three weekly flights between Abu Dhabi (AUH) and Mumbai (BOM), enhancing the

travel experience on this popular route. Since its first flight to Mumbai on 26 September 2004, Etihad's relationship with India has deepened. The airline currently offers nonstop services between Abu Dhabi and 11 Indian cities, with plans for further expansion. This supports its mission to seamlessly connect Indian guests to Abu Dhabi and its global network, enabling them to visit friends and family, pursue education, and engage in business worldwide. In a move to create a more inclusive and accessible experience for its Indian customers, Etihad recently became the first international airline operating in India to launch a Hindi website, allowing customers to access information in their preferred language.

Jindal Stainless commissions its Nickel Pig Iron facility in Indonesia ahead of schedule

SHIV KUMAR SHARMA
HISAR, Jindal Stainless, India's largest stainless steel manufacturer, has announced the commissioning of its Nickel Pig Iron smelter facility located in an industrial park in Halmahera Islands, Indonesia, eight months ahead of the scheduled timeline. Through this joint venture (JV) with New Yaking Pte. Ltd., Jindal Stainless has ensured the long-term availability of nickel for stainless steel production. Jindal Stainless had announced a collaborative agreement with New Yaking Pte. Ltd. in March 2023, wherein the company acquired a 49% equity interest for around USD 157 million. Commenting on the development, Managing Director, Jindal Stainless, Mr Abhyuday Jindal, said, "This JV was the first bold step by any Indian stainless steel manufacturer to secure raw material reserves outside the country since India has no known sources of nickel. This move will enable us to fulfil some of our raw material requirement in a volatile market, which is largely dictated by fluctuating nickel prices. Achieving this milestone ahead of time showcases the resolve and collaboration we enjoy with our partners, and we look forward to starting commercial production from

the facility soon." This year, Jindal Stainless also announced three-pronged strategic investments on May 1, 2024. Under this strategy, the company entered into a collaborative agreement with a Singapore entity to set up a stainless steel melt shop in Indonesia. The company is also improving and upgrading the infrastructure in Jajpur, Odisha. Additionally, it completed the acquisition of Chromeni Steels Private Limited in Gujarat to increase the capacity of its cold-rolling facility in line with the company's long-term vision of increasing the proportion of cold-rolled products in its product mix.

Salman Khan's swag on point in AP Dhillon's 'Old Money' teaser

AGENCY

Finally, the official teaser of actor Salman Khan and singer-rapper AP Dhillon's upcoming song 'Old Money' is here. Taking to Instagram, Salman treated fans with the teaser of the song. Interestingly, the full track is set to be released on August 9. The teaser opens with AP Dhillon sleeping with his head resting on a car. Then, his friend wakes him up with the news, "AP, wo mil gaye aur khabar pakki hai." They both rush to catch someone and then Salman makes his swag entry.

The video ends with AP Dhillon's laughter. Sharing

the teaser, Salman captioned it, "Old Money out on August 9th @apdhillon." Recently, the 'Brown Munde' hitmaker took to his Instagram and dropped a motion poster of their upcoming venture. The text on the video read "Old Money" by AP Dhillon and enquired, "Did you miss me?" Tagging Salman, Sanjay, and rapper-songwriter Shinda Kahlon on it, AP penned, "I know you didn't see this one coming..." The motion art video included pictures of Salman and Sanjay with AP Dhillon.

It's a big treat surely for the fans of Bollywood stars Salman Khan and Sanjay Dutt.

The actors, who have earlier worked together in films like 'Saajan' and 'Chal Mere Bhai', are now expected to be seen together in Indo-Canadian singer AP Dhillon's musical project 'Old Money'.

Expressing excitement about the collaboration earlier, Salman gave a shout-out to AP Dhillon.

"Singer toh tha he acha, ab AP as an actor. Bring it on singing action star," Salman wrote on his Instagram Story.

Salman's post hinted that AP may have explored acting with this project.

AP Dhillon (real name Amritpal Singh Dhillon) has inked a groundbreaking deal with Republic Records in alliance with Universal Music Canada.

Dhillon's first release on the label will be 'Old Money', a new single and video arriving August 9, 2024, with a new album, 'The Brownprint', following two weeks later, on August 23.

Last year, AP Dhillon came up with his docu-series 'AP Dhillon: First of a Kind' that gave audience a glimpse into his journey. The project majorly focused on how Amritpal Singh Dhillon, popularly known as AP Dhillon, migrated to Canada and soon established himself as a leading singer, despite the hurdles he faced.

Ranjit Kumar: A Journey of Perseverance in the Punjabi Music Industry

Ranjit Kumar, hailing from Rajpur village in Kapurthala district, is a shining example of unwavering perseverance. Born to Chaman Lal and Nirmala, Ranjit has overcome numerous challenges to make a significant mark in the Punjabi music industry.

Starting his career with self-released photography, Ranjit quickly transitioned to video direction, gaining recognition for his exceptional talent. He has directed music videos for popular songs such as Karma's "Topper," Jatinder Dhiman's "Sher Putt," and Singh Jeet's "Gane Tere," solidifying his reputation in the industry. Ranjit emphasizes the importance of hard work and determination in achieving success. "An artist who wants to make a name for himself in the music industry should work hard, then success will follow him," he advises. His journey, marked by resilience and dedication, serves as an inspiration to aspiring artists. With several projects set for release in the coming months, Ranjit Kumar continues to push the boundaries of creativity in the Punjabi music scene. His story is a testament to the power of perseverance and the rewards it brings.

Mauritius Hosts the 6th Edition of 'Vishwarang 2024'

CHANDIGARH: The 6th edition of the 'Vishwarang' festival, renowned worldwide for its celebration of language, culture, literature and art will take place in Mauritius from August 7 to 9, 2024. This event is organized under the auspices of the Vishwa Hindi Secretariat (Mauritius) and Rabindranath Tagore University, Bhopal, MP (India). Addressing the International Organizing Committee, Shri Santosh Choubey stated, "The Hindi language has achieved remarkable global recognition. Vishwarang 2024 stands at the forefront of advocating Hindi as a global language while spotlighting the richness of Indian literature, arts and culture on the global stage. Vishwarang Mahotsav has created a distinguished global identity in the preservation and promotion of Hindi and its related Indian languages and dialects. The 'Tagore International Hindi Center' has been established on the Rabindranath Tagore University campus, fostering Hindi education courses and international connections. Representatives from over thirty countries and eleven universities have agreed to affiliate with the Tagore International Hindi Center."

Shri Santosh Choubey further said that "This time the 6th edition of Vishwarang will open new doors of global discussion on various aspects of hindi language teaching. Along with language teaching, topics related to literature, art, culture and social concerns will be the center of special attraction in Vishwarang. In the sessions of language, social concerns, literature, art and cultural sessions, linguists, creators and artists from various countries including India-Mauritius will participate creatively. Experts from various countries who have done exemplary work for the promotion and global expansion of language teaching will be honored with 'Vishwarang- 2024 Samman'. He further informed that in the "Pre-phase" of 'Vishwa Rang- 2024', creative activities and competitions in various categories will be organized in various schools of Mauritius. In these, prizes and certificates will be given to the winning students by 'Vishwarang'.

ZEE5 unveils time-bending mystery drama 'Gyaarah Gyaarah' with spectacular 3D projection

CHANDIGARH : Mumbai's iconic David Sassoon Library's clock tower was the centre of all attention on Friday evening as ZEE5 held a captivating 3D projection of its just released mystery thriller 'Gyaarah Gyaarah'. Mumbaiers were in for a spectacular surprise as the multilingual storyteller enthralled commuters and by-standers with a sneak peak into the highly anticipated mystery drama. A collaboration between Guneet Monga's Sikhya Entertainment and Karan Johar's Dharmatic Entertainment, 'Gyaarah Gyaarah' is directed by Umesh Bisht and stars the powerhouse trio of Raghav Juyal, Kritika Kamra and Dhairya Karwa. Known for its Victorian Gothic architecture, the David Sassoon Library is an integral part of Mumbai's heritage. The showcase which took place on the day of the show's launch, 9th August, offered a visually stunning preview of the series, bringing its time-bending narrative to life against the backdrop of one of Mumbai's most historic landmarks. This takeover by ZEE5 is a testament to the brand's vision to entertain and engage diverse audiences through concerted high impact initiatives. Prior to the 3D showcase, ZEE5 had held a high-octane trailer launch and a power-packed special screening for industry stalwarts and cinephiles.

Vicky Kaushal praises Katrina Kaif's brand in sweetest way

Bollywood star Vicky Kaushal leaves no stone unturned to prove himself as the ideal husband by showcasing his affection for his wife Katrina Kaif. On Monday, Katrina shared a clip on her Instagram Stories featuring Vicky promoting her brand, Kay Beauty's new Hydra creme lipstick.

In the video, shot during their recent getaway in Austria, Vicky enthusiastically reviews the lipstick while playfully conversing with a stuffed toy.

"Buddy, I think I just found the most hydrating lipstick ever. Oh my God, this lipstick is so hydrating... It is not kray to be so good," Vicky exclaims as he demonstrates the product's application on his hand.

The video further captures Vicky's playful banter as he turns the camera to Katrina, who can be heard laughing in the background. "I mean it is kray to be you, not kray to be so good, so good," Vicky adds, bringing a smile to Katrina's face.

Recently, Vicky and Katrina enjoyed a serene stay at the award-winning Mayliffe Altaussee health resort in Austria. The actress shared glimpses of their peaceful retreat, including picturesque lakeside views and healthy cuisine.

In her Instagram post, Katrina ex-

pressed her deep appreciation for the resort's tranquil environment and expert care, stating, "Had the most incredible stay here, it allows everything to pause for a moment and enter into the most peaceful space. The daily walk in the forest sur-

rounding the lake is indescribable. A truly incredible time!" Meanwhile, on the work front, Vicky Kaushal's latest film, 'Bad Newz', offers a comedic take on the unique subject of heteropater-nal superfecundation. Directed by Anand Tiwari, the film stars Ammy Virk, Tripti Dimri, and Neha Dhupia. The movie was released in theatres on July 19. Following 'Bad Newz', Vicky will appear in 'Chhava'. On the other hand, Katrina Kaif was last seen in 'Merry Christmas', where she starred opposite Vijay Sethupathi.

Max Urban & Alaya F: Break the code of new fashion

CHANDIGARH: Max Fashion, the leading international fashion house from Dubai with a robust presence across India with 500+ stores & max-fashion.in, announces partnership with Bollywood sensation Alaya F to launch its new collection, designed to cater to the growing demand from youth. This collaboration kicks off with an electrifying digital campaign that celebrates the fusion of fashion, music, and self-expression, perfectly capturing the essence of the brand's target audience.

The alliance with the rising star strategically targets fashion-forward audience and represents a significant expansion of Max Fashion's portfolio with curated styles that resonate & connect with young fashion enthusiasts across India. The partnership introduces a diverse collection featuring four distinct stories: Neo Feminine, Ultra Feline, Lowkey Luxury, and Rustic Denim. With price range between Rs.499 & Rs.1499. The collection will be available across all 500+ Max Fashion stores & maxfashion.in, ensuring widespread accessibility.

Pallavi Pandey, Head of Marketing at Max Fashion India, states, "We're extremely proud of the Alaya F X Max Urb.n partnership and confident that Alaya's collection will elevate the brand conversation, empowering youth to redefine fashion on their own terms. Alaya's vibe resonates incredibly well with today's youth & Max Urb.ns values – cool, confident, & bold. She embodies being

real and defines this generation with self-expression, and our campaign builds on the same. The collection will be available in all 515+ Max fashion stores and on Maxfashion.in from August 9th."

The launch of Urb.n is a strategic move that capitalizes on Max's established presence in the Indian market. By introducing this youth-focused brand, Max aims to bridge the gap between its existing offerings and the demands of younger consumers, particularly those in the 17-22 age bracket. This expansion not only enhances the brand's appeal to a younger audience but also positions it to compete more effectively in the trendy, fast-fashion space.

With its commitment to launching every week at accessible pricing, and wide availability through its extensive store network, Max Urb.n is poised to make a significant impact in the competitive Indian fashion retail landscape. This launch reaffirms Max Fashion's dedication to innovation and its ability to evolve with changing consumer preferences, ensuring its continued relevance and growth in the dynamic Indian market.

Sumit Chandna, President & Deputy CEO of Max Fashion, said, "The introduction of Urb.n in India has been a success in the market. This collection (Urb.nXAlayaF) speaks directly to our audience, bringing fresh perspectives and bold choices that mirror the spirit of youth."

Neeraj Vyas to move on from Sony Pictures Networks India to pursue an entrepreneurial journey

CHANDIGARH: Sony Pictures Networks India (SPNI) today announced that Neeraj Vyas, Business Head—Sony Entertainment Television, Sony SAB, PAL, and Sony MAX Movie Cluster, will be leaving the company effective August 31, 2024. After an illustrious career spanning close to three decades, Neeraj has decided to embark on a new entrepreneurial journey. Neeraj Vyas has been instrumental in shaping several key businesses at SPNI, including the flagship General Entertainment Channels (GECs), Sony Entertainment Television, Sony SAB, Sony PAL, and the Hindi movies cluster. His journey with SPNI began in sales for Sony Entertainment Television (SET), and he swiftly rose to the position of National Sales Head for the channel in 2005. Within five years, he was appointed Executive Vice President for Sony MIX, the network's Hindi music channel, demonstrating exceptional leadership and strategic vision. In 2011, Neeraj took on the responsibility for Sony MAX, followed by Sony SAB and Sony PAL in 2017, and Sony Entertainment Television in 2023. Under his guidance, Sony SAB was successfully repositioned as a premium entertainment brand, achieving significant growth through a revitalized programming line-up and content strategy. His leadership has been a source of inspiration for many in the industry.

N.P. Singh: "Neeraj Vyas's journey with Sony Pictures Networks India has been remarkable. His vision and leadership have been pivotal in transforming our entertainment channels into market leaders. Neeraj has an innate ability to understand the pulse of the audience and create content that resonates deeply with viewers. On a personal level, Neeraj's passion for excellence and his innovative spirit have always inspired those around him. His departure marks the end of an era for us, but we are excited about the new ventures he will undertake. Neeraj leaves behind a legacy of success, and we wish him all the best as he embarks on his entrepreneurial journey."

Neeraj Vyas: "My time at Sony Pictures Networks India has been an incredible journey filled with learning, growth, and countless memorable moments. I am deeply grateful for the opportunities to lead dynamic teams and work on groundbreaking projects. As I move on to explore new entrepreneurial ventures, I carry with me the invaluable experiences and relationships built over the years. I am excited for what lies ahead and remain confident that the teams at SPNI will continue to achieve great heights."

For my wife and I, it was that last series that really made us go to the movie theater, says Kevin Durand

CHANDIGARH : Wes Ball breathes new life into the global epic franchise of Planet of the Apes with Kingdom of the Planet of the Apes, set several generations after Caesar's reign. In this era, apes are the dominant species living harmoniously, while humans have been reduced to living in the shadows. As a new tyrannical ape leader builds his empire, one young ape embarks on a harrowing journey, questioning all he has known about the past and making choices that will define the future for both apes and humans alike. Premiering on Disney+ Hotstar on August 2nd, this latest instalment in

the magnificent franchise will continue the epic saga, inspiring and enthralling viewers. The movie will be available in

English, Hindi, Tamil, and Telugu.

Kevin Durand who plays Proximus Caesar, talks about his love for the franchise. "When I was a kid, I was so obsessed with the Charlton Heston film. I remember I would beg my mom to put it on, and she didn't want to put it on, because I'd start crying as I was so confused that apes could talk. She would have to go through this whole deep existential chat with me and explain that they're just actors. It really stretched the neurological synapses in my brain as a child and made me go,

"Wow, we can make movies like that?" That was probably the film that made me think, "Oh my God, I might be able to make movies one day." He also talked about the recent trilogy in the franchise, saying, "For my wife and I, it was that last series that really made us go to the movie theater. It was one of the last event films that made us salivate with excitement. So, when I got the call that they were interested in me, I dove in head-first. And luckily, they liked my Proximus." ~ Experience all the movies in this epic reboot franchise, only on Disney+ Hotstar~

Amazon sets up 4 disaster hubs in India to deliver urgent relief material in less than 72 hours

CHANDIGARH : Amazon India is responding to the floods in several parts of India due to heavy rainfall this year. As part of the on-going relief efforts, Amazon has delivered 10,890 shelter kits to the affected communities supporting over 10,000 families across 34 districts. Each relief kit includes essential items such as tarpaulin sheets, ropes, bathing and washing soaps, dental kits, buckets, mosquito nets, and sanitary pads. Additionally, 5,742 ration kits containing dry food items were also distributed. In preparation for the annual monsoon season, Amazon had pre-positioned these shelter kits, ensuring that aid reaches impacted communities at relief camps, shelters, schools and hospitals quickly when disaster strikes. These kits are tailored to meet critical needs and are stored in 19 x 15 x 15" cartons for quick deployment. Amazon's relief efforts were mobilized in less than 72 hours through the establishment of four disaster hubs across India to ensure rapid and effective disaster response. These hubs are strategically located in the North, South, East, and West regions in the states of Haryana, Telangana, Maharashtra, and a temporary hub in West Bengal, respectively, enabling Amazon to swiftly mobilize resources and support communities affected by natural disasters like floods, cyclones, cold waves, etc.

CM Saini pays tribute to victims at Partition Horrors Remembrance Day

SHIV KUMAR SHARMA
KURUKSHETRA, AUG 14

Haryana Chief Minister, Sh. Nayab Singh Saini said that the suffering endured by those who experienced the horrors of the country's partition can never be forgotten. Considering their pains, Prime Minister, Sh. Narendra Modi, on August 15, 2021, had announced from the Red Fort that August 14 would be observed as Partition Horrors Remembrance Day to honor those who sacrificed during the partition. In line with this, today the Haryana government has begun observing this day as a state-level event under the 'Saint Mahapurush Samman Evam Vichar Prachar Prasara Yojana from Kurukshetra, said Sh. Nayab Singh Saini.

The Chief Minister was speaking as the chief guest at the state-level event organized by the Panchanand Memorial Trust in Kurukshetra district on Partition Horrors Remembrance Day.

Sh. Nayab Singh Saini, paying tribute to those who were killed in the bloodshed

emerge vividly in our minds, it sends chills down our spine. What a horrific sight it must have been for people to leave their ancestral lands, businesses, and settled homes in one stroke. They had to walk miles on unknown paths, fleeing religious fanaticism, in search of new means of livelihood, said Sh. Nayab Singh

Saini. He expressed pride that the brave sons of 'Maa Bharti' did not fear anyone, did not succumb to greed, and prioritized their country, religion, and self-respect, accepting hardships and rebuilding their homes from scratch. They contributed significantly to the prosperity and well-being of the areas where they settled.

Muslims have contributed significantly to India's freedom and security: Lali Sharma

BUREAU

GUHLA CHEEKA: Lali Sharma, National President of the Rahul Gandhi Youth Brigade Congress, emphasized the vital role that Muslims have played

in India's struggle for independence, its security, and its development. Speaking at an event, Sharma highlighted that the contribution of Muslims in the formation of the Indian nation-state alongside Hindus is undeniable. He expressed concern that some ideologies, particularly those aligned with the RSS, are attempting to erase the sacrifices made by Muslims from history, portraying them as traitors through certain media outlets. Sharma pointed out that the narrative being spread by these ideologies is possible because the history of India's independence has not been fully understood or taught. He criticized historians for not adequately highlighting the contributions of Muslim heroes in the freedom struggle, as compared to their Hindu counterparts.

Plantation organized under 'Ek Ped Maa Ke Naam' campaign

MAINPAL KASHYAP
INDRI, AUG 14

Plantation was done under Ek Ped Maa Ke Naam Campaign at Shaheed Udham Singh Government College, Matak Majri, Indri, Karnal. Ek Ped Maa Ke Naam Campaign was conducted by Rashtriya Seva Yojana under chairmanship of Executive Principal Dr. Rajiv Gupta. About 100 volunteers of Rashtriya Seva Yojana participated in it. The main objective of this program was to make the volunteers aware of today's important need. Trees are integral part of our life. While we get oxygen from them, trees also play important role in maintaining environmental balance. Increasing pollution is harmful for mankind and environment can be kept clean only by planting more

and more trees. Therefore, every person should take a pledge to plant a tree in his life and take care of it till it becomes a tree. Principal Dr. Rajiv Gupta said that environmental balance is constantly deteriorating due to lack of trees. Plantation is very important to maintain environmental balance. It is the responsibility of all of us to keep the environment safe. He asked everyone Appealed to plant as many trees as possible. In this connection,

an oath was taken under the Har Ghar Tiranga program. The main objective of this oath was to remember the martyrdom of the martyrs who sacrificed their lives while fighting for our country and achieving independence. The main objective of the oath was to contribute to the progress and development of country. Program was conducted under supervision of National Service Scheme in-charge Professor Dimple and Professor Vandana Saini.

Raksha Bandhan 2024: Celebrate sibling bond with healthy eating and goodness of almonds

Chandigarh/ Ludhiana, August 14, 2024: Raksha Bandhan marks the beginning of the festive season, celebrating the special bond between siblings where sisters pray for their brothers' health and long life, while brothers pledge to support and protect their sisters, promising to take care of their health and happiness. To honor this heartfelt commitment, make this Raksha Bandhan even more meaningful by including nutritious foods like almonds in your daily diet.

Amid festivities and celebrations, it's easy to indulge in sweet dishes and unhealthy snacks without considering their impact on your health. Excessive consumption of sugary and oily foods can lead to serious health concerns, such as diabetes, obesity, and cardiovascular issues, making it crucial to make the right food choices.

Therefore, as you prepare festive delights and special dishes for your family, be sure to include healthy options like almonds. Almonds are extremely nutritious and can help manage blood sugar levels and lower LDL and total cholesterol, contributing to maintaining optimal heart health and overall well-being. Additionally, consider replacing refined sugar with natural sweeteners and opting for baked rather than deep-fried foods. By making these

thoughtful choices, you can enjoy the celebrations with your loved ones while also taking care of your health.

Revealing how she celebrates Raksha Bandhan, Bollywood actress Soha Ali Khan said, "Raksha Bandhan is

a special day for me and my family. Every year, we come together to celebrate, and after the rituals, we enjoy a meal together. Being mindful of what my family and I eat, I prepare a special dessert every year—grilled almond burfee—which is not only delicious but also healthy. I make sure to include ingredients like almonds in other recipes too, as they are not only flavorful but also extremely beneficial for health."

Regional Head-Dietetics, Max Healthcare - Delhi, Ritika Samaddar said, "During festivals like Raksha Bandhan, people often make unhealthy food choices without realizing the negative impact on their health and weight.

Youth and society should respect soldiers not only on national days but every day: Col Randhawa

Chandigarh, Govt Museum and Art Gallery, Sector 10 organized a documentary screening and quiz competition for school students in its auditorium to mark the 78th Independence Day. As many as 70 students from Government Model High School, Dhanas and Kendriya Singh Sabha, Sector 28 participated in the event. 86-year-old retired Col. Pervinder Singh Randhawa, specially invited as the keynote speaker to inspire the students about the importance of independence. Col Randhawa's grandfather Surein Singh fought in the First World War against Germany from the British regime, while his father Balwant Singh fought in the Second World War. He himself served in the Indian Army from 1959 to 1991 and played a vital role in the 1971 Bangladesh war. At present, Col Randhawa is founder of Sikhiya Seekers whose aim is to make the young generation aware of the war history. In his address, he emphasized that the youth should not forget the martyrdom of the soldiers. If the youth ignore or forget their martyrdom, then the youth will lose interest in becoming soldiers and the country will once again go towards slavery. Therefore, the morale of the soldiers should be encouraged not only on National Days but every day. Present on the occasion, Sardar Rajwinder Singh Rahi, who is a researcher on the Ghadar movement, appraised students on the untold aspects related to Ghadar which was started in the year 1913 by Punjabi youth in America to awaken the spirit of freedom among the immigrant Indians. During the program, a 16-minute documentary - Ailan-e-Jung made by Pawan Pyush Mahajan was also screened which filled everyone with patriotism. Later, a quiz competition was also organized for the students. After five rounds, Shivansh Pandey, Praveen Kumar and Mehak emerged as the winners. Assistant curatorial of the museum Megha Kulkarni and Manager Rachit Suri expressed thanks to the participants for making the program a success.

"NIIFT has made Punjab proud. The students who pass out from here act as brand ambassadors for the state when they make a mark in their chosen jobs or by setting up start-ups not just in Punjab, but other parts of the country," said Tejveer Singh.

DPS Kharbanda said, "Students used the platform of Anukama 24 to present their signature styles. They put in their best which could be seen in the collections presented.

The detail, originality and professionalism evident in their work are a testament of students' hard work and perseverance."

Both Tejveer Singh and D P S Kharbanda gave away awards to the promising students. A total of 12 awards were given to the deserving students of NIIFT centres on the basis of their performance. The 'Best Design Collection' award went to Shish Ranjan, Suruchi, Khushi Sharma & Anushka Kapoor. 'Best Garment Construction' award was bagged by Satwinder Singh and Siddhi. 'Best Commercial Collection' went to Nitish. 'Most

Creative Collection' went to Vidhika Chugh, Sonali Bansal and Sukhmanjeet Kaur. 'Best Use of Craft in Design' was bagged by Shalini Thakur. 'Best Use of Art in Design' was earned by Sakshi Aggarwal and Jury Special Award' was given to Bhawna Thakur. 'Best Usage of Pattern Making' award was presented to Yashika Bajaj.

Dr. Kanu Thind, PCS, Director, NIIFT, said, "This was a celebration of the exceptional talent and creativity of NIIFT students. Our greatest joy comes from witnessing our students' growth, and today is a shining example of the extraordinary

The Inspiring Journey of Behna Da Dhaba with Swiggy

MOHALI: In the vibrant city of Mohali, Punjab, 'Behna Da Dhaba', owned by two sisters Paramjeet Kaur and Sharanjeet Kaur, has long been a culinary treasure. Since its establishment in 2004, the restaurant has built a loyal customer base with its commitment to serving authentic North Indian home-style food. Over the years, their dedication and passion transformed their small eatery into a beloved local treasure.

The Kaur sisters faced numerous challenges as they worked tirelessly to establish their restaurant. From securing funds to finding the right location, their journey was fraught with obstacles. Yet, their unwavering determination and love for cooking saw them through. Behna Da Dhaba became known for its delicious thalis and affordable buffet, priced at just Rs 99, drawing a loyal customer base.

In 2020, amidst the uncertainty of the COVID-19 pandemic, the Kaur sisters found a lifeline in Swiggy. Partnering with India's leading food delivery platform marked a significant turning point for Behna Da Dhaba. "Swiggy kept our business afloat during the pandemic and opened up new growth opportunities," shared Sharanjeet Kaur.

Through Swiggy, Behna Da Dhaba's reach expanded dramatically. "At least 60 percent of our business now comes through Swiggy. The platform has taught us so much about advertising, special offers, and menu optimization," said Paramjeet Kaur. The results were astonishing: within six months, their online orders surged by 200%, significantly boosting their revenue.

Swiggy's user-friendly app and round-the-clock delivery services made it easy for customers to enjoy Behna Da Dhaba's delicacies from the comfort of their homes. Access to Swiggy's data analytics empowered the Kaur sisters to make informed decisions based on customer preferences and trends.

DAV Police Public School Jagadhari wishes all countrymen a very Happy Independence Day. Remembering all the patriots who sacrificed their lives for the freedom of the country, we pay our tribute to them on this day. DAV Police Public School Jagadhari provides all facilities to students from nursery to class 11th. Students are provided with good teachers and digital classes for studying all subjects like arts, commerce, science and medical. Along with this, facilities of Police Cadet Course and Sports Nursery are also being provided.

Principal Anoop Kumar Chopra DAV Police Public School.

On this momentous Independence Day, we gather to commemorate the remarkable journey of our great nation—a journey marked by the courage, sacrifice, and vision of those who fought valiantly for our freedom. Today, we reflect on our past, celebrate our present, and look forward to our future with renewed hope and determination. Our independence is not just a historical milestone but a living testament to the enduring spirit of unity and resilience that binds us together as a nation. As we honor the legacy of our freedom fighters, let us also recognize the profound responsibility we carry to build a future that reflects the values they held. In our pursuit of progress, let us aspire for India to reach new heights and embrace its destiny as the Vishvaguru—a global leader in wisdom, innovation, and harmony. Our diverse heritage, rich traditions, and vibrant culture position us uniquely to contribute meaningfully to the world. By harnessing our collective strengths and nurturing our boundless potential, we can pave the way for a future where India stands as a shining example of excellence and leadership on the global stage.

Happy Independence Day to all!

Warm regards,

Girdhari Lal Kohli

TDTR DAV Institute of Physiotherapy & Rehabilitation, Yamuna Nagar, Haryana was established in 1997 by great philanthropist late Shree J.N Kapur Ji, with a mission to educate, mentor, train and empower students in the field of physiotherapy education, research and clinical practice and to lessen the sufferings of Human Beings specially disabled persons. Today the Institute stands tall at both National and International levels, as it completes twenty-five (25) years of excellence and dedicated services to both teaching and patient care. It is the First Physiotherapy Institute of Haryana managed by DAV College Managing Committee, New Delhi and affiliated to Pt.BD Sharma University of Health Sciences, Rohtak & Approved by Govt. of Haryana. In brief TDTR DAV Institute of Physiotherapy has established itself as a premier institution of learning, providing quality education, best physiotherapy treatment to the patients. It has been making a significant contribution to the society through spreading value based education by keeping the ancient Vedic heritage in mind. The Institute is conducting several long term courses like 4½ years Bachelor Degree in Physiotherapy (BPT) started in 1997 and 2 years Master degree in Physiotherapy (MPT) courses since 2012. In short span of 25 years; it has advanced tremendously to be regarded as a pioneer Institute of Physiotherapy in North India by virtue of its quality education & rehabilitation services. The Institute is a self-financing / un-aided non-profit centre for the benefit of citizens of India. Our students have been bringing laurels to the Institute by bagging the various top positions in University, since last 25 years. The college has the best student teacher ratio. We have dedicated, highly qualified and perhaps the most experienced teaching faculty within the state of Haryana. Besides our regular faculty of Physiotherapy, the institute also has services of medical specialists who take on academics dearly and also provide regular inputs for enhancement of our services. It has separate Girls hostel in the campus with all modern amenities. The air conditioned Library is well equipped with books and Journals & E- Journals too. Physiotherapy is the lifeline for modern health care in terms of reduced patient care as a whole. The Institute aims for quality Physiotherapy education and patient care with state of art and modern physiotherapy facilities at the Institute hospital and research infrastructure at the college. The Institute offers comprehensive and quality rehabilitation care to the people of Haryana. The Institute has an out patients department (OPD) with all the latest and ultra modern Electrotherapy & Exercise Therapy Instruments including gymnasium to provide quality treatment for various conditions. Department has inputs of patients who suffer from various Orthopedic, Neurological, Cardio respiratory diseases and Sports Injuries. The prime focus of the Institute has been quality sustenance and enhancement with specific future plans for quality enhancement in academics, patient care and research. To Impact high quality of education the Institute is having collaboration with various reputed hospitals in and around Yamuna Nagar, Haryana.

Vidhan Sabha session from 2nd Sep, 49 posts in Gram Nyayalayas to be filled

GAURAV GOEL
CHANDIGARH, AUG 14

Punjab Cabinet led by Chief Minister Bhagwant Singh Mann on Wednesday gave approval to summon the seventh Session of 16th Punjab Vidhan Sabha on September 24. Disclosing this here today a spokesperson of the Chief Minister's Office said that a decision to this effect was taken by the Council of Ministers in a meeting held under the chairmanship of the Chief Minister at his official residence.

The session will start with obituary references on September 2 and the Business for the three days assembly session will

be decided by the Business advisory committee shortly. The Cabinet also gave approval for Creation of 49 posts for seven Gram Nyayalayas in Patran (Patiala), Tappa (Barnala), Bassi Pathana (Fathigarh Sahib), Dera Baba Nanak (Gurdaspur), Dharkal (Pathankot), Raikot (Ludhiana) and Chamkaur Sahib (Rupnagar). The idea behind establishment of Gram Nyayalayas is to provide easy access to justice to every citizen of the country. The establishment of more Gram Nyayalayas would, apart from providing access to justice at affordable price and providing justice at door steps, also declog the huge pendency of matters before

the Trial Courts. The Cabinet also gave in principle approval to do away with the clause of No Objection Certificate (NOC) for registration of land and property. The matter will be brought in Cabinet meeting to be held shortly and sole aim of this decision is to facilitate the general public as the illegal colonizers dupe the people by showing them green pastures and sell their unapproved colonies to them.

The hapless people have to then run pillar to post for getting the basic civic amenities in these colonies adding that the state government will safeguard the interests of the common man. The Punjab Fire Safety and emer-

Gives consent to youth services policy 2024

The Cabinet also accorded green signal to Youth Services Policy 2024 prepared by the Department of Youth Services for the welfare of the youth. The policy aims at weaning away the youth from the menace of drugs and channelizing their unbounded energy in a positive direction. The Policy will encourage youth towards social welfare activities and improve their skills besides connecting them with sports, cultural programs, and social welfare work.

gency Services Bill, 2024. The Act of 2012 required upgradation as it was not able to meet with the fire safety, fire fighting and Ease of Business requirements of the present times. After coming into force of the proposed legislation a big relief shall be available to the owners and occupiers of buildings in Punjab as they will not have to obtain fire safety certificate annually but after every 3 years.

Akali MLA Dr. Sukhwinder Sukhi joins AAP, boosting party's strength in State

RAJIV JAIN
CHANDIGARH, AUG 14

The Aam Aadmi Party (AAP) received a significant boost in Punjab when Dr. Sukhwinder Singh Sukhi, the current MLA from the Banga Assembly constituency, left the Shiromani Akali Dal and joined AAP on Wednesday.

Chief Minister Bhagwant Mann welcomed Dr. Sukhi into the AAP in the presence of the party's National General Secretary (Organization) Sandeep Pathak and other AAP leaders. Alongside Dr. Sukhi, hundreds of his supporters also joined the party.

Following Dr. Sukhi's induction, Chief Minister Bhagwant Mann tweeted that the Aam Aadmi Party family is continuously growing in Punjab and extended a warm wel-

come to Dr. Sukhwinder Singh Sukhi. The Chief Minister stated that the Aam Aadmi Party (AAP) has a strong connection with the medical community, noting that many of its ministers and MLAs are doctors. He highlighted Dr. Sukhwinder Sukhi's consistent focus on the issues of his Assembly constituency and his reputation for avoiding controversial statements.

Instead, Dr. Sukhi has always concentrated on addressing the needs of his constituents. The Chief Minister believes that Dr. Sukhi's joining AAP will be highly beneficial for the party.

Dr. Sukhwinder Sukhi, the MLA for the Banga Assembly constituency, has been serving his constituents since 2017 and was re-elected in 2022. A doctor by profession,

Dr. Sukhi has also been active in social service for many years.

After joining AAP, he expressed his gratitude to Chief Minister Bhagwant Mann and the party leadership. Dr. Sukhi mentioned that he has been impressed with Chief Minister Mann from the start and attended the Chief Minister's swearing-in ceremony at Khatkar Kalan.

He praised the Chief Minister for his decisive actions against corrupt officials, recounting an incident where he reported a Naib Tehsildar from his area. Following his complaint, Chief Minister Mann promptly ordered the official's suspension. Additionally, the Chief Minister has assured Dr. Sukhi that a medical college will be established in the Banga constituency.

Lack of effort to prevent widespread communal riots during partition: Bihari Lal Sharma

DINESH AGARWAL SHIMLA, AUG 14

Speaking at a district-level event on Partition Horrors Remembrance Day, Bihari Lal Sharma, the BJP state general secretary, emphasized that many were aware of the potential for large-scale communal riots before the partition of India, but no serious efforts were made to prevent them. The event was organized at the BJP headquarters, Deepkamal, Chakkar, under the chairmanship of district president Prem Thakur.

In his address, Bihari Lal Sharma criticized the hasty decisions made during the partition, particularly blaming Jawaharlal Nehru for his eagerness to become the Prime Minister. Sharma referenced the book "Mission with

Mountbatten" by Alan Campbell-Johnson, the press advisor to Lord Mountbatten, which included a letter Campbell-Johnson wrote to his mother on June 1, 1947. In the letter, Campbell-Johnson predicted the possibility of large-scale communal riots if the decision for partition was finalized. He also noted the deep resentment and tension between Hindus and Muslims, with the British being more popular among both communities than ever before.

Sharma highlighted four key points from the letter: the difference between independence and the transfer of power, the British referring to the event as a transfer of power, the anticipation of large-scale communal riots before partition, and the lack of efforts to prevent them. He questioned whether partition was merely a political game for Nehru, given that he seemed more focused on getting rid of Jinnah than on the repercussions for the country.

CM Sukhu threatened to be killed before I-Day

SANJAY AGGARWAL DHARAMSHALA, AUG 14

Himachal Pradesh Chief Minister Sukhvinder Singh Sukhu has been threatened to be killed before Independence Day. This threat has come from an unknown recorded phone call to Manali MLA Bhuvneshwar Gaur. In this, the Manali MLA was lured to kill the CM on 15 August. It was also said that Himachal should also be made a part of the separatist organization (Khalistan). After this, the MLA has lodged a complaint at Patlikuhal police station. In this regard, SP Dr. Karthikeyan Gokul Chandran said that the police have registered a case under Section 351 of the Indian Penal Code.

Earlier on Tuesday, Chief Minister Sukhvinder Singh Sukhu was threatened by a separatist organization to stop him from hoisting the tricolor on 15 August at Shaheed Bhuvnesh Dogra Ground in Dehra, District Kangra. People are receiving threatening calls on their mobile phones from the head of the organization Gurvartwant Pannu.

Deputy Commissioner Kangra and SDM have also received threatening calls. Even before this, this organization has issued threats many times. Gagret MLA Rakesh Kalia received a threatening phone call of killing the Chief Minister and bomb blast on Independence Day. This threatening call was made in the name of Sikh for Justice. The MLA has filed a case against an unknown person in this regard.

Observance of Partition Horrors Remembrance Day at IIIT Una

BUREAU UNA: The Indian Institute of Information Technology, Una (IIITU) commemorated Partition Horrors Remembrance Day with a meaningful and respectful event. The ceremony started at 10:00 AM with a warm welcome to the 94-year-old freedom fighter and guest of honor, Shri Satya Bhushan Shastri Ji. He was felicitated with a Himachalitiopi and shawl in recognition of his lifelong contributions to India's freedom struggle. Satya Bhushan Shastri Ji, son of Shree Lakshman Das Arya Ji, became involved in the independence movement at just 7 years old. His courageous actions against British rule included raising war funds during World War II and supporting revolutionaries such as Sardar Bhagat Singh and Gokul Chand. Despite facing severe domination and being subjected to slow poisoning, Shastri Ji's firm dedication stood as a witness to his bravery.

Pain of partition of the country can never be forgotten: Trilok Kapoor

SANJAY AGGARWAL DHARAMSHALA, AUG 14

The pain of partition of the country can never be forgotten - these words were expressed by Himachal Pradesh BJP State General Secretary Trilok Kapoor while addressing a program organized by Organizational District Kangra in Dharamshala. He said that the partition of the country on the basis of religion in 1947 is a dark chapter in history. It is very difficult to forget the pain of partition of India and the pain of partition of the country, due to hatred and violence, lakhs of our sisters and brothers had to be displaced and even lost their lives. Kapoor said that in memory of the struggle and sacrifice of those people, the Bharatiya Janata Party has decided to celebrate 14 August as Partition Horrors

Memorial Day. He said that Partition Horrors Memorial Day is an opportunity to remember with reverence those Indians whose lives were sacrificed for the partition of the country.

He said that not only this, this day also reminds of the suffering and struggle of those people who were forced to bear the pain of displacement. Not only this, the pain of losing loved ones and the wound of partition of the country cannot be described in words. Kapoor said that the decision of partition of India

was a pre-condition for the consensus reached in the meeting of 2 June 1947. Pandit Nehru was at the forefront of those leaders who saw a bright future in this partition. It is clear from this partition incident that Pandit Nehru not only divided the country just to get the chair of the Prime Minister, but also bathed the land of India with the blood of millions of people, the seeds of hatred that were sown in it will have to be completely destroyed by many generations to come.

Education and employment fair on August 23

SHIV KUMAR SHARMA
KARNAL: The team of the renowned Global Foundation of India invited the Vice Chancellor of Kurukshetra University, Prof. Somnath Sachdeva as the chief guest for the education and employment fair being organized in Karnal on 23rd August.

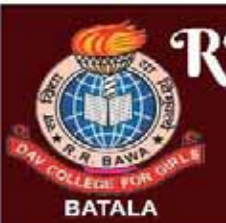

This fair is being organised jointly by DAV (PG) College and Swavalambi Bharat Abhiyan. The Vice Chancellor praised the efforts of the institution and called employment the first need of the society today. On this occasion, the Director of Samvad of the institution, Mahesh Sharma expressed his gratitude to the Vice Chancellor by giving a bouquet of flowers. On this occasion, the Secretary of the institution, Mr. Kapil Madan, Media Director Rahul Sharma and Dean of Student Welfare of Kurukshetra University, Dr. A.R. Chaudhary were present.

Hundreds of women tied rakhi and supported Darshan Kheda

RAJNI SONI
JAGADHRI: Hundreds of women from different areas celebrated Raksha Bandhan with great pomp at the residence of BSP-INLD alliance candidate Darshan Kheda located in Saraswati Colony of Jagadhari. The women tied rakhi to Darshan Kheda and fed him sweets and promised full cooperation and support in the upcoming assembly elections. Darshan Kheda thanked all the women present in the programme. He said that Raksha Bandhan is a holy festival of the sacred relationship between brother and sister. He assured the women of every possible help in the future.
