Amit Shah promises terror-free J&K at Chenani rally

AGENCY
JAMMU, SEP 26

Stating that the Prime Minister Narendra Modi government in five years took several measures with various people-friendly schemes and developmental projects in Jammu and Kashmir, Union Home Minister Amit Shah on Thursday promised a terror-free region.

"I promise you that the BJP will give you terror-free Jammu and Kashmir," Shah said addressing a public rally at Chenani in Udhampur district of Jammu and Kashmir.

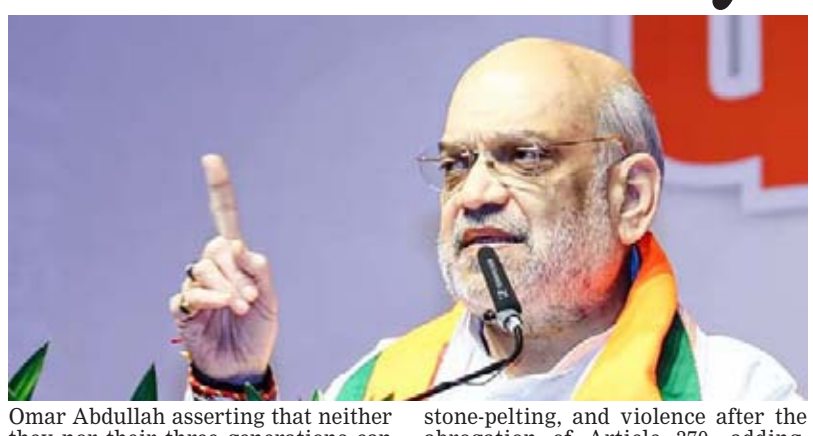

He was campaigning in support of party candidate Balwant Singh Mankotia contesting from the Chenani Constituency going to poll in the last and final phase of the ongoing Assembly elections scheduled on October 1.

"In the last 70 years, the hilly belts of J&K were ignored by the governments ruled by the Muftis and Abdullahs but the Modi government transformed this region into 'Naya Jammu and Kashmir' and developed the neglected areas," said Shah.

Stating that the BJP will provide terror-free Jammu and Kashmir, Shah said, "Terrorism in J&K has been buried and would not be allowed to stage a comeback."

On the pre-poll Congress-National Conference alliance, he said, "The Congress-NC alliance if comes to power would impose Pakistan's agenda of restoring Article 370 in Jammu and Kashmir but we will never allow it to happen."

Article 370 is history now, said Shah and rubbished claims of Congress leader Rahul Gandhi and NC leader

Omar Abdullah asserting that neither they nor their three generations can bring it back. Shah said that there are no hartals (strikes), incidents of stone-pelting, and violence after the abrogation of Article 370, adding, "Whoever spreads terror will get his answer at the gallows."

Congress imposed President's rule most times in Kashmir

KATHUA : Union Home Minister Amit Shah hit back at Congress MP Rahul Gandhi, reminding him that Congress imposed president's rule most number of times in Jammu and Kashmir.
"Rahul Gandhi just gave a statement that outsiders will rule in Jammu and Kashmir. He was referring to our LG Sahab (Manoj Sinha). Rahul baba, those who write your speeches doesnot tell you the truth. If there is a party that has imposed Presidential rule most number of times in Jammu and Kashmir, it is the Congress," Amit Shah said while addressing a public meeting in Kathua which went to polls in the first phase of polling held on September 18.
The Home Minister cited the polling turnout, saying that it was the end of terrorism in the region that had led to the increased turnout.
"Due to the end of terrorism, Jammu and Kashmir has witnessed a record 55 percent voting. Farooq Sahib, those days are over when one could go to the Lok Sabha by getting 8 thousand votes. Now democracy has become strong in Jammu and Kashmir," Amit Shah said.

MUMBAI, SEPT 26

A Metropolitan Magistrate in Mazgaon, Mumbai, on Thursday convicted Shiv Sena (UBT) leader Sanjay Raut in a defamation case and sentenced him to 15 days of simple imprisonment.

The Court also imposed a fine of Rs 25,000 on him in a case filed by Medha Kirit Somaiya, wife of BJP leader Kirit Somaiya. Raut was convicted under Section 500 of the Indian Penal Code, her advocate said.

"Sanjay Raut has been sentenced to 15-day imprisonment; he has been taken into custody. A Rs 25,000 fine has been imposed on him. He will have to pay this sum to complainant Medha Somaiya," BJP leader Kirit Somaiya told reporters.

In May 2022, BJP leader Kirit Somaiya's wife Medha Kirit Somaiya had filed a Rs 100 crore defamation suit against Sanjay Raut in the Bombay High Court.

Raut has accused Medha Kirit Somaiya and her husband of being allegedly involved in a Rs 100 crore scam in the construction of public toilets in the area under the jurisdiction of Mira-Bhayandar Municipal Corporation.

Medha Somaiya registered a complaint against Raut stating that the accused made malicious and unwarranted statements against the complainant in the media.

"I state that the accused Sanjay Raut is Executive Editor of Marathi Newspaper "SAAMNA" and is also the chief spokesman of Shivsena, a political party. I say that the accused around 16th April, 2022 and thereafter made malicious and unwarranted mischievous statements against me in the media, the same which was printed, published and circulated to the general public at large through electronic and print media. The said malicious statements were also viral on social media platforms," she had said in her complaint.

SC grants bail to former TN minister Senthil Balaji

AGENCY
NEW DELHI, SEPT 26

The Supreme Court on Thursday granted bail to former Tamil Nadu minister V Senthil Balaji in connection with a money laundering case linked to the cash-for-jobs scam.

A bench of Justice Abhay Oka and Justice Augustine George Masih granted bail to Balaji and said there has been a delay in the trial.

"Bail granted but there are very onerous conditions put in the bail," said the bench.

After the order DMK MP and Advocate NR Elango said, "The SC granted bail to V Senthil Balaji who is incarcerated in the prison as an under-trial prisoner in an ED case for more than 15 months. The long delay which has occurred... could be there in conducting the trials in the predicate offence as well as the PMLA case. The bail has been granted imposing certain conditions that he should appear before the Enforcement Directorate twice a week, he should not tamper with the witnesses and surrender his passport." Senthil Balaji had challenged the Madras High Court order which denied him bail. The former minister Balaji was arrested on June 14, 2023 in connection with a money laundering case linked to a cash-for-jobs scam when he was the Transport Minister during an earlier AIADMK regime.

India signs key High Seas biodiversity conservation agreement at UN

AGENCY
NEW YORK/NEW DELHI, SEP 26

India signed the Biodiversity Beyond National Jurisdiction (BBNJ) Agreement at the UN Headquarters, which EAM S Jaishankar described as an important step towards ensuring that the oceans remain healthy and resilient.

In a post on X, the EAM said: "Signed the Biodiversity Beyond National Jurisdiction (BBNJ) Agreement today the @UN HQ.

"India is proud to join the BBNJ Agreement, an important step towards ensuring that our oceans remain healthy and resilient."

In July, the Union Cabinet, chaired by Prime Minister Narendra Modi, had given approval for India to sign the Biodiversity Beyond National Jurisdiction (BBNJ) Agreement. The Ministry of Earth Sciences will spearhead the country's implementation of the BBNJ Agreement.

The BBNJ Agreement, or the 'High Seas Treaty', is an international treaty under the United Nations Convention on the Law of the Sea (UNCLOS). It marks a significant step towards the conservation and sustainable utilisation of marine biological diversity in areas beyond national jurisdiction in the 'High Seas', areas beyond national jurisdiction in the global common oceans open to all for internationally lawful purposes such as navigation, overflight, laying submarine cables and pipelines, etc.

It aims to address the growing concerns over the long-term protection of marine biodiversity in the high seas. It sets precise mechanisms for the sustainable use of marine biological diversity through international cooperation and coordination.

Parties cannot claim or exercise sovereign rights over marine resources derived from the high seas. It follows an inclusive, integrated, ecosystem-centric approach based on the precautionary principle and promotes using traditional knowledge and the best available scientific knowledge.

Statewide seizures of illegal liquor, narcotics, and valuables total Rs. 54.46 crore so far – CEO, Pankaj Agarwal

CHANDIGARH: - To ensure that the Haryana Assembly General Elections-2024 are conducted in a completely fair and transparent manner, all guidelines issued by the Election Commission of India, along with the Model Code of Conduct, are being strictly followed. From August 16 to September 25, 2024, a total of Rs. 54.46 crore worth of illegal liquor, narcotics, cash, and valuable items have been seized in the state. Apart from it, the investigation of various intercepted items worth Rs. 14 crore is also underway. Chief Electoral Officer, Sh. Pankaj Agarwal said that Haryana Police, along with other agencies, is continuously maintaining strict vigilance. BJP has laid network of roads, national highways in country: Arora

RAHUL KOHLI
YAMUNANAGAR, SEP 26

BJP candidate Ghanshyam Das Arora said that the BJP government has done development worth crores of rupees in every district of the state without any discrimination. Government jobs without slips and without any expenditure, old age pension of Rs 3000 per month, providing electricity from 20 hours to 24 hours in villages and cities, providing online services to people sitting at home, non-stop development work in every district, laying a network of roads and national highways in the state are the major achievements of the BJP government. The resolution taken to provide paved roads and lanes, underground drains for drainage, drinking water and electricity facilities in every regular colony of every ward of Yamuna Nagar has been fulfilled. The streets and roads which used to be muddy, today the path of the city dwellers has become smooth due to the construction of paved roads there. MLA Ghanshyam Das Arora was addressing programmes organised at various places including Sarojini Colony, Dadupur, Bhagwanpur, Kishanpura Majra, Kanalasi, Amadalpur, Ratanpura, Jyoti Palace, Lajpat Nagar, Purana Hamida, Camp Main Bazaar, Mahavir Colony on Friday.

He appealed to the people to vote in favour of BJP by doing door- to- door public contact campaign. A huge public meeting was organised in the party office in which union minister Petroleum and Natural Gas and Steel Minister Dharmendra Pradhan participated. At the same time, in the program organised at Jyoti Palace, Kurukshetra MP Naveen Jindal appealed to the people to vote in favour of BJP candidate Ghanshyam Das Arora. BJP candidate Arora said that due to the discriminatory policies of the Congress, the roads of Yamunanagar were in bad shape ten years ago. It used to take three to four hours to go to Chandigarh. But the BJP government has done non-stop development in the last ten years. A network of national highways and roads was laid in the state. Now one can reach Chandigarh from Yamunanagar in just one to one and a half hours. All the districts have been connected by national highways. The BJP government curbed hooliganism in Yamunanagar. During the rule of the Congress party, there were horrific atrocities on the Scheduled Castes, of which the incidents of Gohana and Mirchpur are a living example. The lands of the farmers were usurped by adopting false tactics. But the BJP government of Haryana and the Modi government at the centre have worked to take the Scheduled Castes forward. Farmers have been given the right price for their produce. The Haryana BJP government has worked to protect the interests of the farmers by ensuring the purchase of all 24 crops of the farmers. In the Lok Sabha elections, the Congress has tried to mislead the public and mislead the poor and weak people by telling many such lies, sometimes in the name of the Constitution, sometimes in the name of ending reservation, sometimes by saying that money will be given immediately.

Veeresh Shandilya campaigned vigorously for Congress candidates Chander Mohan from Panchkula, Virendra Rathore from Gharaunda, Bulle Shah from Panipat Urban and addressed many huge public meetings and rallies. Keep Congress away from power to preserve culture: Suresh Rana

SHIV KUMAR SHARMA
ASSANDH, SEPT 26

Former cabinet minister of Uttar Pradesh Suresh Rana said that national interest is paramount for the Bharatiya Janata Party. We all believe in Sanatan culture in the country. He said that if culture has to be preserved, then Congress has to be kept away from power. Congress kept the Ram Mandir issue hanging and stuck. When BJP used to say that they will build the temple there, the Congress people used to laugh and say that they will build the temple there but will not tell the date. Today, under the leadership of Prime Minister Narendra Modi, the divine and grand Shri Ram temple is ready at the same place. Congress even imposed an emergency for power in which the rights of democracy fighters were suppressed fiercely. Various types of restrictions were imposed on the public which Haryana has not forgotten even today. Sikhs were also tortured during Congress rule.

He said that Karnal district never came on the map of development during Congress rule. Development work was limited to only a few areas. Only corruption developed during Congress rule. Corruption had become a courtesy for Congress. But BJP gave corruption free governance to the people. Suresh Rana said that Congress never thought about the welfare of farmers. Congress has neither any policy nor plan, nor money nor vision for farmers. The BJP government is dedicated to farmers. Under Kisan Samman Nidhi, farmers are being given Rs 6000 per year. The government has promised to give Rs 2100 to women under the scheme and it will be fulfilled as soon as the government is formed for the third time. He said that BJP's work is not quick. BJP has done what it has said. Now everyone has to unite and make lotus bloom for the development of the state and protection and promotion of culture.

SHIMLA, SEP 26

One person was killed and five shops were damaged in a cloudburst in the Paonta Sahib area of Himachal Pradesh's Sirmaur district while normal life was hit in state capital Shimla due to torrential rains on Thursday, officials said.

Rangi, son of Kanshu, was buried under debris after a cloudburst struck Amboya Khala in Paonta Sahib while five shops, two small bridges, a shed, and two flour mills (gharats) were destroyed by the debris. A boundary wall and a car were also damaged, said officials.

Heavy rains have led to the formation of an artificial lake near Angle Station in Sataun, raising concerns about the safety of a colony nearby.

The rising water level could potentially flood the area, as the lack of proper drainage has allowed water to accumulate from the NH and surrounding areas, said an area resident.

Meanwhile, in the state capital of Shimla, torrential rains since Thursday morning caused severe disruptions. Roads in the city were flooded, causing traffic jams. Landslides have also been reported in various areas, with one car getting stuck in debris near Tolland.

Media check

Checking facts is good, but it may become the opposite depending on the agent and the purpose. The Bombay High Court struck down as unconstitutional the Central gover-nment's power to form fact-check units to uncover 'fake' news about itself. This power was given by Rule 3 of the Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Amendment Rules, 2023. The decision was taken by a third judge after a split verdict by a two-judge bench in January. According to the rule, intermediaries of digital platforms including social media were to ensure that users did not post fake, untrue or misleading news about the government's business. The FCUs would identify these. The judgment said that Rule 3 violated the constitutional rights to freedom of speech and the freedom to carry on a trade or profession. For instance, the profession of a comedian — Kunal Kamra was one of the petitioners against Rule 3 — or a satirist would be shorn of all edge if Rule 3 became operational. The right to freedom of speech, said the judgment, is not the right to truth. Besides, Rule 3 would make the government the judge of 'truth', which was unacceptable.

The rule also violated the principle of equality by being applicable only to digital media and not to printed newspapers. This was discriminatory; clearly, the rule had been made with the wider sweep of digital media in mind. The government's anxiety to erase all criticism had threatened to turn it into law, which was quashed by the Bombay High Court.

The judgment further pointed out that fake, false and misleading are vague and broad expressions since they have not been defined. Undefined terms would lead to abuse: the government would be free to instruct intermediaries to take down whichever post it did not like. Not only would this have a "chilling effect" on intermediaries but it would also make the government the judge in its own cause, according to the court. In quashing Rule 3, the judgment pierced the veneer of law that the government had put up to legitimise its usual act of silencing dissent and criticism. In those cases, laws have to be weaponised and manipulated; with Rule 3, that would not have been necessary. The Bombay High Court, however, preserved the freedom of digital media in this sphere.

G4 nations stress comprehensive security council reform

The G4 Ministers representing Brazil, Germany, India, and Japan stressed that a comprehensive reform of the Security Council is an "essential part" of any endeavor to make the United Nations better reflect contemporary geopolitical realities and thus fit for the present and future.

In a joint press statement, Ministry of External Affairs said, "G4 Ministers noted the current significant challenges to the multilateral system with the United Nations at its core. They stressed that a comprehensive reform of the Security Council is an essential part of any endeavor to make the United Nations better reflect contemporary geopolitical realities and thus fit for the present and future. "The G4 Ministers reiterated their call for the expansion of the UN Security Council in both permanent and non-permanent categories of membership, which has been supported by a significant number of Member States throughout the negotiation process, in order to increase the Council's legitimacy and ensure its effectiveness," the statment added.

They agreed on the need to enhance the role and participation of developing countries, and those significantly contributing to international peace and security, in the Security Council, in both membership categories.

They also stressed the importance of an improved representation of under-represented and unrepresented groups and regions, such as Africa, Asia-Pacific and Latin America and the Caribbean, in both membership categories. Ministers reaffirmed their strong support to the Common African Position (CAP) as enshrined in the Ezulwini Consensus and the Sirte Declaration.

Reviewing the work of the 78th Session of the UN General Assembly, the G4 Ministers positively noted the efforts by the Co-Chairs of the Intergovernmental Negotiations (IGN) including multiple rounds of debates on reform models proposed by States and Groups as a concrete step closer towards reform.

According to MEA, "the G4 Ministers voiced strong concern over the persistent absence of substantial progress in the IGN and underlined the urgent need to begin text-based negotiations."

In this context, the G4 Ministers welcomed the recent increase of support of text-based negotiations.They noted the importance of the IGN's adherence to the decision-making requirements and working methods laid out in the Charter of the United Nations and the rules and procedures of the General Assembly.

Looking forward to the upcoming 80th anniversary of the United Nations in 2025, the G4 Ministers underscored the urgency of the reform of the Security Council, as well as their strong dedication to this goal.

They urged the international community to engage wholeheartedly in these efforts during the 79th UN General Assembly, and agreed to further reach out to, and work in good faith with, the wider UN-membership to advance the issue.

They concurred on continuing to discuss current UN-related issues, including those in the Security Council.

Can you have PCOS even when you get your periods regularly?

Amritsar, September,26--: Polycystic Ovary Syndrome (PCOS) is a common hormonal disorder affecting millions of women worldwide. While many associate it with irregular or absent periods, it's possible to have PCOS even if your menstrual cycles are regular. Dr Ruchika, Consultant, Obstetrics & Gynaecology at Fortis Escorts Amritsar, says, as we celebrate PCOS Awareness Month, understanding this nuance is crucial for recognizing and managing the condition effectively. A study in the Malwa region of Punjab found that 60.61% of participants had at least one menstrual problem, with dysmenorrhea being the most common.
Dr. Hasta Nitin Kushte, Consultant, Obstetrics & Gynaecology at Fortis Escorts Amritsar, said, "Early detection of PCOS is essential to reduce the risk of long-term complications such as type 2 diabetes, heart disease, and infertility, even if periods are regular. Management often involves lifestyle changes like diet and exercise, and sometimes medication. Depending on symptoms, treatments may include birth control pills, anti-androgens, or insulin sensitizers. Psychological support is also beneficial due to the association between PCOS and mental health issues like anxiety and depression."

High protein vegetables indian women should add to their diet

Plant-based diets have an image of not being as potent sources of nutrition as animal produce. But there are several vegetables and legumes that are high in protein.

1. SPINACH: With over 45 per cent of protein content, it should come as no surprise that this leafy green is first on this list. Loaded with other valuable nutrients vitamin C, folic acid, and other B vitamins, spinach provides a substantial amount of protein when cooked, improving overall health. This versatile vegetable can be added to salads and pasta and can be moulded to fit almost any dish!

2. BROCCOLI: Higher in protein than most vegetables, these greens are worth adding to your plate even if you are not a fan of the taste. Broccoli is relatively high in protein, which makes up about 45 per cent of its dry weight, compared to most vegetables. It is also quite low in calories and contains practically no fat. A cup of broccoli can also provide your body with 10 per cent of the required fibre for a day. If you do not enjoy the taste, find ways of incorporating broccoli in smaller quantities to what you eat every day rather than eating and dreading lots of it in one go.

3. Peas: Eaten all over the world, as a part of the legume family, peas are a great source of protein for vegetarians to include in their diet. The abundance of protein content in peas then makes more sense and sets them apart from the rest of the vegetables. Cooked peas, for instance, have almost four times the protein content of cooked carrots. As a plus, they're versatile, easily available and can be a delicious addition to many recipes.

4. AVOCADOS: Well, technically it is a fruit, but you know it is used more in recipes rather than as a fruit! It is one of the few high-protein fruits out there, as one avocado packs close to four grams of protein. Mind you, apart from the other nutrients you get out of this fruit, you get a good amount of 18 essential amino acids needed for the body.

World Tourism Day: Zee TV actors reveal their favorite travel destinations

CHANDIGARH: Every year, September 27 is recognized as World Tourism Day, a time when people celebrate the transformative impact of travel and the captivating experiences it brings into their lives. Occasionally taking breaks from monotonous life offers everyone deep joy and personal growth, whether through solo trips, business trips, or vacations. Such experiences are always revitalizing. Speaking of travel, Zee TV actors Pratiksha Honmukhe from Kaise Mujhe Tum Mil Gaye, Rohit Suchanti from Bhagya Lakshmi, Aarya Babbar from Jagriti-Ek Nayi Subah, Abrar Qazi from Kumkum Bhagya, Seerat Kapoor from Rabb Se Hai Dua, Priya Thakur from Vasudha, and Adrija Roy from Kundali Bhagya opened up about their favourite destination, and value of going on an excursion from time to time.

Pratiksha Honmukhe, who essays the role of Priyanka in Zee TV's Kaise Mujhe Tum Mil Gaye said, "Traveling has always been my way of connecting with people. I've always learned a lot and gained a lot of perspective during my trips and vacations. Whether it's about understanding different cultures, hearing personal stories from locals, trying different cuisines or just experiencing the beauty of traditions so different from mine, I love every bit of it. Meeting new people is one of the best parts, as it reminds me of how diverse and wonderful we all are as humans, living in different parts of the world. This year, I've set a personal goal to explore even more corners, not just to see new places but to immerse myself in the richness of new places and cultures."

Rohit Suchanti, who essays the role of Rishi in Zee TV's Bhagya Lakshmi said, "Traveling has always been a passion of mine, and World Tourism Day reminds me of how much I cherish exploring new places. I have been to multiple countries and cities, and with every new destination, I feel like I have learned something new. Meeting people from different walks of life and learning about their cultures and traditions has been one of the most rewarding aspects of these journeys. It's amazing how much we can learn from others if we just open ourselves up to new experiences. Travel isn't just about seeing new places; it's about understanding the world in a deeper, more meaningful way. On this World Tourism Day, I wish to travel more and more this year, and explore new places like never before."

Traveling is more than just visiting new places; it's an opportunity to discover more about yourself. From the snowy mountains to the vibrant streets of every country I have visited till date, each destination holds a unique place in my heart. Travel has always been revitalizing, offering a chance to immerse in different cultures and create lasting memories. I have done various treks, including Everest Base Camp Trek, which was very exciting for me. On this day, let's remember that the world is brimming with amazing destinations waiting to be explored. Embrace every journey, follow your passions, and let it be your adult version of the playground. After all, we only have one life—so pack your bags and let the adventure begin!

Abrar Qazi, who essays the role of Rajvansh in Zee TV's Kumkum Bhagya said, "As someone from Srinagar, Jammu and Kashmir, I find that traveling provides a refreshing escape from my busy shooting schedule. It not only broadens our horizons but also deepens our understanding of the world. Being a mountain enthusiast and a native to the place, I must say that Kashmir is truly a paradise. This serene region, with its stunning mountains and snow-covered landscapes, lives up to its name, 'Jannat'. The breathtaking views and unique atmosphere of Kashmir, especially Gulmarg, cannot be described in words but must be experienced firsthand. I cherish my time there, enjoying the snow, lush greenery, and chilly mornings. Embrace the diverse

landscapes, explore new destinations, and forge connections that transcend borders."

Seerat Kapoor, who essays the role of Mannat in Zee TV's Rabb Se Hai Dua said, "World Tourism Day feels more like a reminder of a journey waiting to unfold. There's something incredibly powerful about stepping into a new place, where the sights, sounds, and faces are unfamiliar but somehow, they touch your soul. Traveling has always been my way of rediscovering myself, whether it's through shared laughter with strangers, tasting flavors that take me by surprise, or witnessing the quiet beauty of a sunset in a foreign land. As this year comes to an end, I long to explore more than just new destinations—I want to feel the heartbeat of every place, to gather memories that stay with me forever and remind me how truly connected we all are."

celebrate my birthday, and it was just the perfect getaway.

The serene hills, misty mornings, and the cool breeze made me feel so refreshed. Whether it's a big vacation or a small weekend trip, I believe every journey has its own charm. Lonavala's beauty reminded me of how important it is to pause, step away from our busy schedules, and soak in the wonders of nature.
